'Obey me' says Islamist Caliph

ABU Bakr al-Baghdadi, the leader of Islamist militant group Isis, has called on Muslims to OBEY HIM, in his first video sermon.

The head of the jihadist group chose the first Friday prayer service of Ramadan to make an audacious display of power.

Speaking from the mosque in Mosul, Iraq, al-Baghdadi urged the world's Muslims to flock to the Islamic caliphate declared by his organisation last week.

The self-anointed "Caliph Ibrahim" said under his direction, the Islamic world would be returned to "dignity, might, rights and leadership".

CAM UNDER PRESSURE ON VIP NONCE FILE SCANDAL

DAVID Cameron is under increasing pressure to launch a review into child abuse and the disappearance of a file on alleged paedophile activity at Westminster.

The Prime Minister has ordered a probe into what happened to the dossier handed to then home secretary, Leon (now Lord) Brittan, by Tory MP Geoffrey Dickens in 1983.

By JUSTIN DUNN
justin@sundaysport.co.uk

But shadow home secretary Yvette Cooper said the move did not go far enough and has called on the PM for a full investigation into all allegations of historic child abuse.

Mr Dickens, who died in 1995, had believed the dossier would "blow the lid off" the lives of powerful and famous child abusers.

More than 120 MPs have signed a letter calling for a national inquiry into what went on at the time, with hearings held in public.

Ms Cooper said the Government should also publish the full findings of a review commissioned last year which found the dossier had not been retained by the department.

She added: "The Prime Minister is right to intervene to demand a proper investigation into the allegations of child abuse not being acted upon by the Home Office, because we have not had answers from the Home Secretary."

Labour MP Simon Danczuk, who carried out an investigation into abuse by the late Liberal MP Cyril Smith and who raised the issue of what happened to the Dickens' file at a hearing of the Commons Home Affairs Committee, also said there needed to be a full public inquiry, adding: "The Prime Minister knows that there is a growing sense of public anger about allegations of historic abuse involving senior politicians."

Meanwhile the Metropolitan Police is continuing to investigate allegations of child sexual abuse in the late 1970s and 1980s at the former Elm Guest House in Barnes, south-west London – where parties involving MPs and other establishment members are alleged to have been held.

Jennifer in shock 'poo sex' scene

HOLLYWOOD beauty Jennifer Aniston has stunned fans with an astonishing BROWN SHOWER scene.

The one-time *Friends* actress is up for a guy CRAPPING on her during sex in raunchy movie sequel *Horrible Bosses 2*.

The 45-year-old stunna (*above*) returns to her role of dirty dentist Julia Harris in the follow-up, and she's shocked fans with outrageous antics.

In the scene, her sex-mad tooth doctor is trying to seduce nice guy Nick Hendricks – played by Yank funnyman Jason Bateman.

When Nick tries to avoid her nookie-crazed advances by insisting he needs to go to the "men's room."

But she tells him:" You're welcome to do that on me."

When he explains it's a "Number Two", she smiles and just says, "And?"

Kelly's guy: My nights on the piss!

KELLY Brook's body builder fiancé David McIntosh has opened up about his PISS drinking, admitting he once downed a bucket of URINE!

The 27-year-old – who hit our screens as Tornado in Sky1 show *Gladiators* – downed the vile fluids while serving in the Royal Marines.

David (*above*), from Ashton-in-Makerfield, Greater Manchester, said: "I joined the Marines at the age of 16. It was a wild time, the guys were crazy out there, getting naked all the time in bars.

"We used to get up to all sorts. We'd be out there and there would be some guy pissing in the mouth of another on the dance floor.

"We would play a game called flaming arseholes. That's when all the guys piss in a bucket and they stick some tissue up your arse. They light the tissue and you have to drink the piss in the time it takes for the flame to burn your arse."

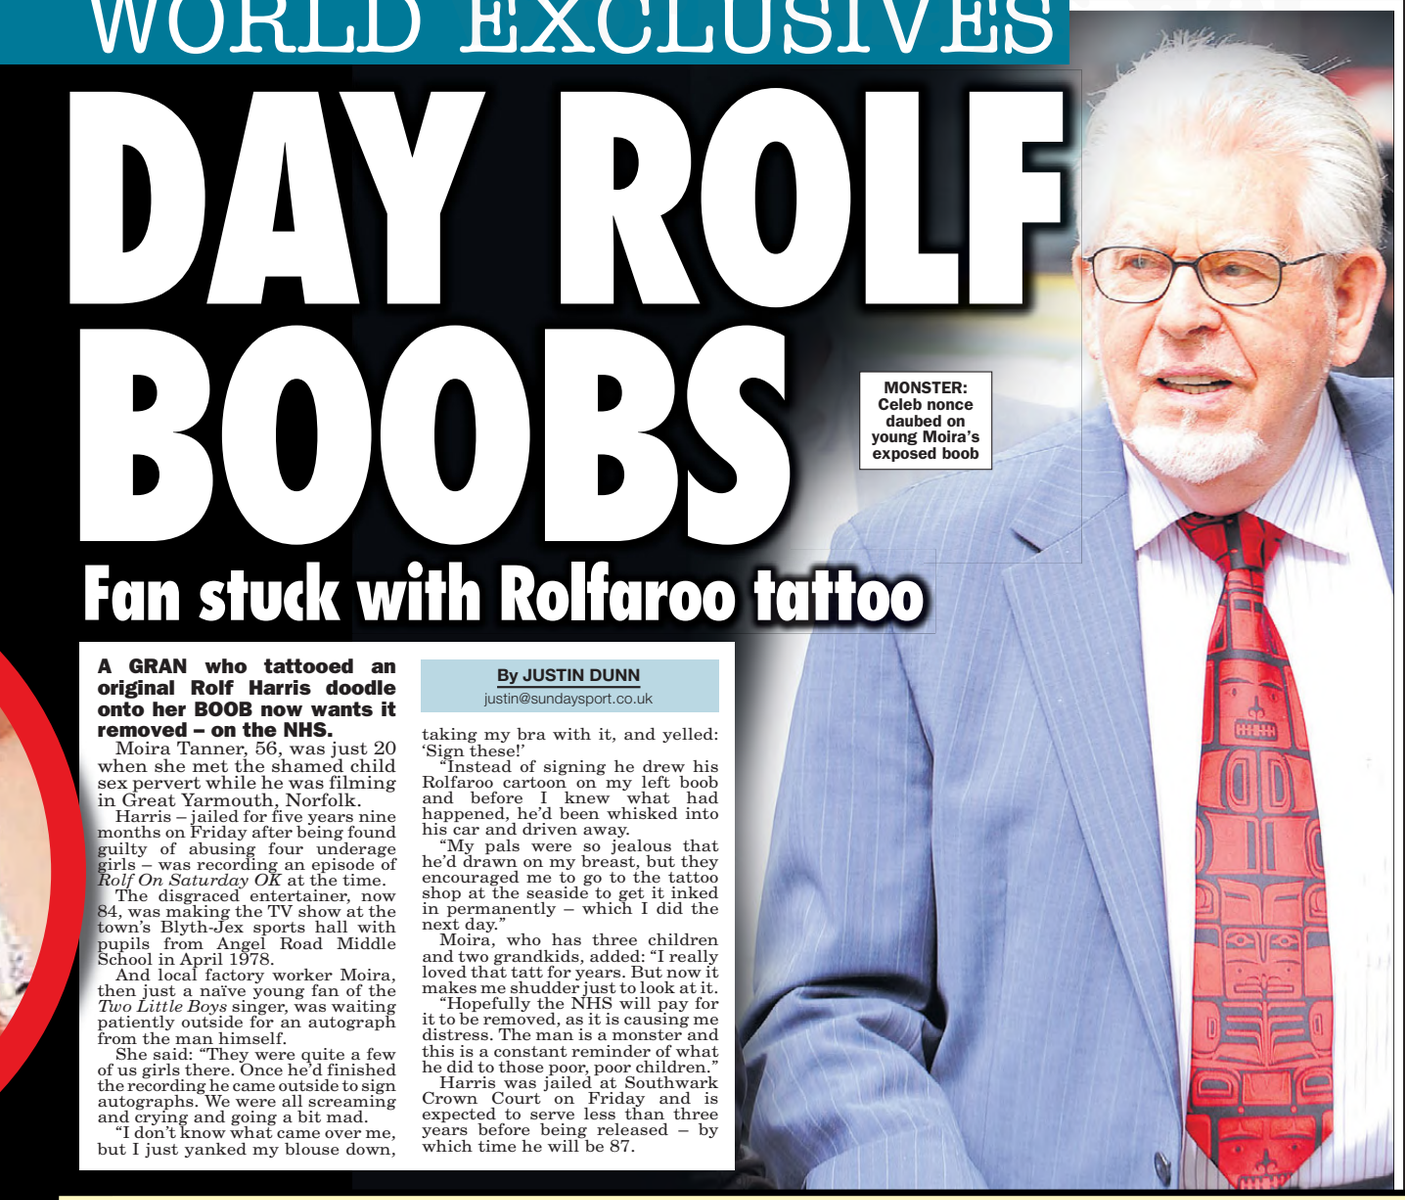
DAY ROLF BOOBS

Fan stuck with Rolfaroo tattoo



MONSTER: Celeb nonce daubed on young Moira's exposed boob

A GRAN who tattooed an original Rolf Harris doodle onto her BOOB now wants it removed – on the NHS.

Moira Tanner, 56, was just 20 when she met the shamed child sex pervert while he was filming in Great Yarmouth, Norfolk.

Harris – jailed for five years nine months on Friday after being found guilty of abusing four underage girls – was recording an episode of *Rolf On Saturday OK* at the time.

The disgraced entertainer, now 84, was making the TV show at the town's Blyth-Jex sports hall with pupils from Angel Road Middle School in April 1978.

And local factory worker Moira, then just a naïve young fan of the *Two Little Boys* singer, was waiting patiently outside for an autograph from the man himself.

She said: "They were quite a few of us girls there. Once he'd finished the recording he came outside to sign autographs. We were all screaming and crying and going a bit mad.

"I don't know what came over me, but I just yanked my blouse down, taking my bra with it, and yelled: 'Sign these!'

"Instead of signing he drew his Rolfaroo cartoon on my left boob and before I knew what had happened, he'd been whisked into his car and driven away.

"My pals were so jealous that he'd drawn on my breast, but they encouraged me to go to the tattoo shop at the seaside to get it inked in permanently – which I did the next day."

Moira, who has three children and two grandkids, added: "I really loved that tatt for years. But now it makes me shudder just to look at it.

"Hopefully the NHS will pay for it to be removed, as it is causing me distress. The man is a monster and this is a constant reminder of what he did to those poor, poor children."

Harris was jailed at Southwark Crown Court on Friday and is expected to serve less than three years before being released – by which time he will be 87.

'I'm not a sex symbol' says Mr Squeaker

COMMONS speaker John Bercow has insisted he is not a sex symbol.

Bercow – nicknamed Mr Squeaker – rejected wife Sally's agrument that the role had made him more attractive.

He told *The Times Magazine*: "I have most certainly not become a sex symbol. She [his wife] does have a very good sense of humour."

Last night one MP said: "For once in his life, that little shit is right. The idea of Squeaker as a sex symbol is beyond preposterous."

In 2011 Sally (*above*) sent ripples around Westminster when she appeared in a newspaper wearing nothing but a bedsheet.

Mr Bercow, 51, who is 5ft 6in tall, said he was "never bothered about being short.

Have one to sell? Sell it yourself

THE VANISHING LADY: Rolf with his portrait of HRH back in 2006

AN unholy conspiracy hatched by the BBC and Buckingham Palace led to Rolf Harris's famed portrait of the Queen being sold on an internet auction site.

Harris's picture, commissioned by the Beeb to mark the monarch's 80th birthday, was a flop with critics and disappeared soon after being briefly displayed at Buckingham Palace.

When 84-year-old Harris was found guilty of sex offences against children, orders went out from top courtiers that the canvas should "go away and not come back".

It's understood that responsibility for getting rid of the toxic artwork was passed to a junior BBC official, who took the extraordinary decision to put it up for sale on ebay.

There is no suggestion whatsoever that Her Majesty had any inkling of the plot to quietly get rid of the troublesome artwork.

Last night the painting had disappeared from the auction site and Auntie Beeb insisted they have no idea where the painting is.

But one source said: "The order came from Buckingham Palace to 'get rid' of the painting. That order was passed down the food chain and it was interpreted as 'sell the painting on ebay' somehow!

"Needless to say, the brass went ballistic when they found out it was on the site.

"I imagine the painting is now in one of those big warehouses – like the one at the end of *Raiders of the Lost Ark*."

The Queen sat for Harris twice at Buckingham Palace in 2005, and the painting took two months to complete.

A spokesman for the BBC said: "We have been asked about this before and our position hasn't changed. The BBC does not have this painting."

THE VOICE OF YOUR BRITAIN

Spare thought to those who seek out risk

WHO would have thought that the genteel world of competitive hide-and-seek was tainted with such heart-rending tragedy.

Back in 1995, in one of Sunday Sport's most famous headlines, we reported that hide-and-seek champion Brian Youll had been found dead in a cupboard.

Now, in a ghastly coincidence, Brian's son Alan has met his end in exactly the same manner.

We spend many hours lamenting the fate of daredevils and those participants in "high risk" sports who are killed in pursuit of an adrenaline rush.

But do we ever stop to think about the dangers that lurk in the most innocuous of pastimes? Who would think that flower-pressing, tiddly-winks, Ludo or hide-and-seek were potentially deadly hobbies?

We must reflect that no human enterprise is without risk. It's healthy that we face that risk and accept it.

And we should mourn the passing of people like Brian and Alan Youll – not smirk at the offbeat nature of their deaths.

Tour of sex sites will not surprise French

AN investigation in today's Sunday Sport reveals that dogging sites are strung along the Tour de France route in Yorkshire like beads on a necklace.

Some may be shocked by our findings.

Not, we suspect, Tour de France veterans.

The Tour, remember, is based in France where every verge, copse and field writhes with naked copulation.

A little outdoor scuttling will elicit no more than a Gallic shrug from our sex-crazed French brethren.

Security? What balls!

AS security falls like a wet blanket on holidays across the world, we are told that tighter checks are essential to prevent us being blown to bits.

But what kind of jihadist dresses as a giant cock and balls?

Bride-to-be Hannah Taylor was hauled away by burly security men simply for dressing as a huge phallus on her hen night.

When this happens, the terrorists have already won!

Eamonn BANS babe Dannii from this morning studio

By NEIL GOODWIN neil@sundaysport.co.uk

RED-FACED Eamonn Holmes was shocked when a busty topless model he'd been chatting to on Twitter offered to come and visit him at WORK!

Eamonn presents ITV's *This Morning* with his WIFE Ruth Langsford, and it's doubtful Ruth, 54, would be too impressed if top-heavy blonde Dannii Harwood cropped up on set!

The saucy exchange began when Dannii, from Neath, south Wales, began messaging Eamonn online, telling him how much she fancied getting in his boxers.

The Irish presenter told the sexy Playboy TV presenter: *"Thank you very much. Cannot blame you for your attraction to me."*

But he urged Dannii, 28, NOT to hunt him down, quavering: *"But I don't think we should visit each other's studios."*

One Twitter user joked: *"Come on Eamonn, we know you've sneaked into the studio Dannii works in…!"*

And, clearly not talking 'no' for an answer, Dannii even invited Eamonn to take part in one of her topless HOT TUB sex parties.

Dannii, who has starred in saucy girl-on-girl spanking vids, laughed: "You could see Eamonn squirming.

"He knows he wants me. And I'd be down for a threesome with Eamonn and Ruth."

'Besotted' man w*nked at a granny

A PERVERT who stalked a grandmother who lived opposite his flat and showered her with gifts after becoming "besotted" with her has been jailed.

Gary Stedman, 44, became obsessed with his 53-year-old neighbour and began following her and sending cards to her flat in Meir, Staffs.

A court heard he even stood in his doorway NAKED and performed a sex act whenever she passed.

Despite being branded a "dirty pervert" by the woman, Stedman continued to send her cards, gifts and explicit texts.

Police were called in on January 26 after Stedman was twice spotted performing a sex act on himself at the entrance of his home in front of the shocked gran.

At Stoke-on-Trent Crown Court he pleaded guilty to indecent exposure and stalking and was jailed for a year.

TV STAR SHAGGED ME FOR £45 AND 10 BENSONS

Boob op scrounger Josie will name names in new book

BOOST: Josie found fame as girl whose bigger boobs were paid for by taxpayers

By JON LIVESEY
jonl@sundaysport.co.uk

CONTROVERISAL NHS boob job girl Josie Cunningham had sex with a top celebrity in exchange for £45 – and a pack of 10 fags.

And the busty benefits scrounger is now set to expose the telly star in an EXPLOSIVE warts-and-all autobiography.

Juicy Josie, 23, shot to fame last year when she had a £5,000 breast enlargement at the taxpayers' expense, before vowing to become a top glamour model.

The singe mum-of-two then sparked further outrage when she told how she had fallen pregnant just weeks after launching a career as a £1,000-a-night HOOKER.

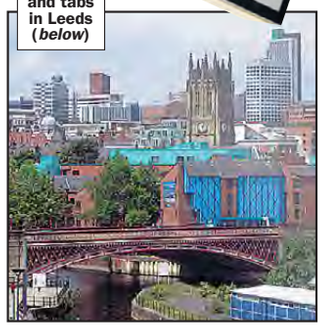
She's since rubbed Brits up the wrong way after admitting she's still smoking 20 cigarettes-a-day – despite being just WEEKS away from giving birth.

This week, the Leeds lass told how she is mulling over TWO lucrative book deals, which could earn her a whopping £1 MILLION.

And now, we can reveal that her upcoming memoir will feature a shocking tale about how she bonked a well-known telly personality for a bargain fee.

One of Josie's closest friends says the sultry brunette agreed to shag the star for the princely sum of £45 plus a pack of 10 Benson & Hedges – worth around £4.69.

THE NAME GAME: Josie will spill beans on who the top TV star she bedded for cash and tabs in Leeds (*below*)



Boobs

Lifting the lid on the tryst, she said: "A few months ago, back when Josie was still escorting, she was in a bar and bumped into a guy off the telly who she's fancied for ages.

"She told him her services weren't free, but that didn't put him off – he couldn't keep his eyes off her new boobs.

"After a few drinks, they went back to his hotel, but when the issue of payment was brought up, he said he only had £45 on him.

"Her fee was supposed to be £1,000 for the night.

"But in the end she settled for £45 and 10 B&H.

"To be honest, though, she liked him that much, I think she would have probably done it for NOTHING. She said it was well worth it, too."

Josie first hit the headlines in March last year after having her 32A bee-stings boosted to 36DD whoppers on the NHS.

Soon after, she told how she wanted to have her implants removed after complaining her norks were TOO BIG.

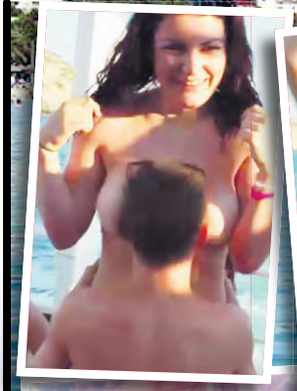
She also revealed that she was working as a high-class belle de jour, bonking randy punters for cash, which she intended to use to reimburse the health service.

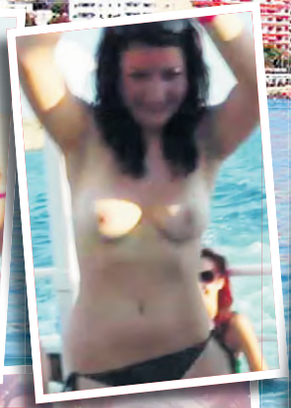
And it also emerged last month that her two children – aged six and three – are driven two-and-a-half miles to and from the local school, twice a day, in TAXIS paid for with public money.

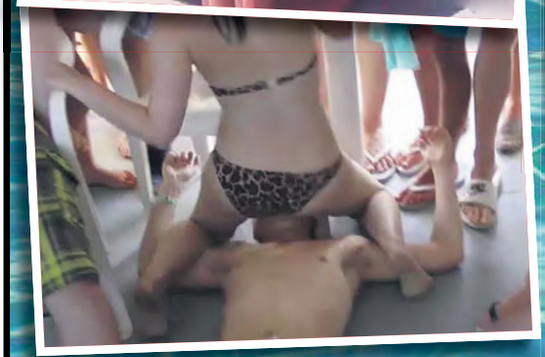
On Josie's forthcoming book, our source added: "She says she won't be leaving anything out – including the name of the celebrity she shagged. He must be sh*tting himself."

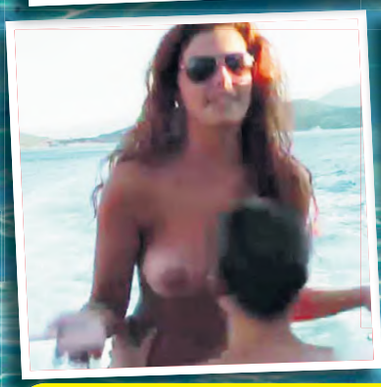
Cock for cocktails babe isn't the only

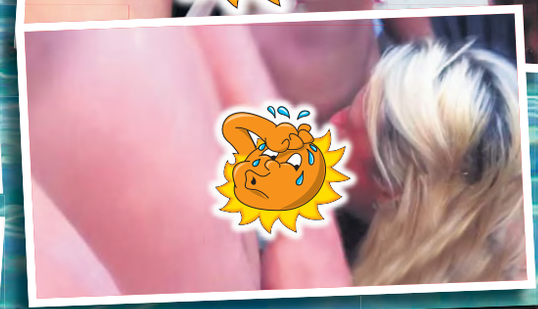
BRIT BABES BARE BONKING BJ











IF you spot your missus in any of these snaps, you might not want to read any further.

Because pissed-up female Brits abroad are flocking to take part in kinky SEX OLYMPICS on holiday booze cruises.

Last week the UK was in shock after an explicit video emerged showing a pretty blonde giving a staggering 24 men BLOWJOBS in return for a £2.50 cocktail.

That X-rated footage – taken in Magaluf, the Mallorcan party capital which attracts thousands of Blighty's most hedonistic revellers each year –sent Twitter into meltdown.

By NEIL GOODWIN
neil@sundaysport.co.uk

But we can reveal EXCLUSIVELY how that footage is just the tip of the iceberg when it comes to a culture of performing sex acts for grog.

We've uncovered new videos taken off the coast of Magaluf showing women stripping topless before indulging in both ORAL and FULL SEX in front of braying crowds.

So if your girlfriend IS thinking about heading to so-called 'Shagaluf', you should probably hide her passport!

Our film was taken by an undercover reporter earlier this month, and begins with squiffy lasses stripping off their bikini tops before jumping into the crystal blue seas below. It's not long before that quick show of flesh leads to much saucier shenanigans.

Four stunnas line up with the bare boobs out as a line of lads take it in turns to give their breasts a squeeze as a DJ shouts encouragement down a microphone.

At one point the boat's host, who has a strong London accent, grunts: "Grab her arse – give it a good squeeze!"

Hard

Flirty females then take turns GYRATING on the crotches of lads, measuring the size of their 'semis' afterwards to see which lass got their fella the most hard.

And it all escalates to the point where lusty couples end up stark naked, adopting sex positions on the floor while doing their best 'orgasm' noises.

The host tells one topless beauty: "Now what I want you to do is take his cock, spit on it, then lick it off."

The brunette happily obliges, performing oral sex on the chap, furiously bobbing her head back and forth as the bloke struggles to

maintain his stiffy.

The compere jokes: "Oh for f***'s sake, is there anyone on this boat who can get a hard-on!?"

Another woman in a 'Supergirl' vest wants a go.

The compere tells her: "On your knees – now put his cock in your mouth!"

Which she does, much to the joy of her shrieking mates.

The man with the mic adds: "See, I told you she'd get naked on a first date."

Scorcher

And in scenes too rude to feature in a family newspaper, one very up-for-it scorcher lies down on her back, pulls aside her white bikini bottoms, and lets a clearly-excited suitor scuttle her in the missionary position while being applauded by at least a 50 spectators.

Sadly for thrill-seekers, the mayor of Magaluf last week vowed to clean up his town, putting an end to X-rated bonk games.

Disgusted Manuel Onieva says he "completely rejects" the outrageous sex activities and has warned that bars who flout the rules will face closure.

Man crushed as he looked for his cock

AN OAP was crushed to death by a tree as he searched for a lost CHICKEN during a fierce storm.

Grandfather Bob Thomas, 77, was killed as he put his pet hens away during lashing rain and 100mph winds.

An inquest heard how the pensioner got all but one of the birds back into their hutch.

But he continued to search for one last chicken, which had become lost in the back garden of his home in Caernarfon, north Wales.

His wife Jean told how she went outside to help him look – just as he was hit by a falling tree.

She told an inquest: "There was a loud bang and I turned round and saw Bob trapped under a tree."

Bob died at the head injury unit at the North Staffordshire University Hospital in Stoke on Trent following February's accident.

North Wales coroner Nicola Jones recorded an accidental death verdict.

Yorkshire leg of bike race passes the county's top dogging spots

AND THEY'RE OFF! Riders yesterday

YORKSHIRE. Largest of our ancient counties, known for old men rolling down hills in bathtubs, puddings and locals who are famously careful wi' t'brass.

By SIMON DEAN
simon@sundaysport.co.uk

This weekend, the Tour de France begins in the White Rose county. Competitors and spectators alike will not be able to ignore one of Yorkshire's favourite pastimes…

Dogging.

With thousands of miles of secluded lanes and countless acres of wild countryside, Yorkshire appears to be created for outdoor sex by the Good Lord Himself.

And a *Sunday Sport* investigation has discovered that as the route of the Tour de France snakes across the county, it takes in some of Yorkshire's premier dogging locations.

Yesterday, stage one of the Tour – the so-called Grande Depart – saw the riders pedal the 190 kilometres from Leeds to Harrogate.

Today, the teams ride from historic York to not-quite-so-historic Sheffield – and they'll zoom past well-known outdoor sex spots from the heights of Ilkley Moor, through Haworth in Bronte country and down through *Last of the Summer Wine* country.

Last night a Tour source insisted that the route through Yorkshire was not designed with dogging in mind.

Our insider said: "The Tour de France is about cycling, not about seedy, no-strings sex in the back seat of a clapped out Ford Escort van."

One local said: "If the cyclists flash their bike lights round here, they'll get their helmets polished."

But dogging is not the only less-than-savoury activity associated with the coming of the Tour.

Stunned locals have been warned that the Tour could bring with it a crime wave at the hands gangs of thieves. Residents are being urged, among other measures, 'to consider digging a trench' across their driveway to stop criminals with vehicles gaining access to their land.

The warning, circulated on the internet and by email, also claimed the area's low crime rates could be "decimated over a couple of days" unless action is taken."

It continues: "Our enviable record of the lowest level of criminality could be decimated over a couple of days unless we can support our police."

Fifty Shades flick will flop for sex fans

FANS expecting the upcoming *Fifty Shades of Grey* movie to be an all-out nude BONK fest are set to be sorely disappointed.

That's according to actress Eloise Mumford, who says the film version of author E L James' book is more 'tasteful romance' than porno.

She plays main character Anastasia Steele's roommate.

Speaking about a storyline filled with bondage and nookie, Eloise, 27, said: "In the end, the story really is a romance and a love story so it's about that more than anything.

"Sam Taylor-Johnson is such a great director.

"I knew right away it would be tasteful and artistic. And the cinematographer is Seamus McGarvey. He did *Anna Karenina*. It's going to be beautiful."

One disgruntled viewer commented: "I don't want warm light, soft focus and billowing curtains, I want bouncing boobs and jizz flying all over the shop. This could be the biggest let down in movie history since *Prometheus*."

Kinder egg up bum coke dealer escapes prison

A DRUG dealer caught with a Kinder Egg full of cocaine hidden up his ARSE has walked free from court.

Michael Akpabio, 27, was arrested with 12g of the Class A narcotic sealed in a toy casing taken from the kids' popular chocolate.

Police stopped his Vauxhall Astra on May 22 after number plate recognition technology linked his plate to drug dealing.

Akpabio was searched at Bishopsgate police station where they found a small amount of cannabis secreted in his buttocks.

This was followed by a Kinder Egg wrapped in cling film containing 10 wraps of coke.

At Southwark Crown Court, Akpabio, of Mitcham, Surrey, was handed a two-year sentence suspended for two year, ordered to do 200 hours of unpaid work and fined £800.

Woman 'cuts up fella' for pee on floor

A DRUNK woman has been arrested amid claims she slashed her husband's face and throat – because he PISSED on the bathroom floor.

Police say they arrived at the home of Shery Downs, 52, to find her 68-year-old hubby on the front steps, with blood pouring from his face and neck.

They followed a trail of blood which led them to Downs, who appeared to be drunk.

She told officers that her spouse had inflicted the injuries himself after she called police to report him for a scam to obtain free cable TV.

But her hubby says his missus attacked him with a cleaver-type knife, slashing his face and throat, because she was angry at him for weeing on the floor.

When questioned, he claimed she told him that she wanted to "cut him up", before launching the vicious assault.

After the incident in Billings, Montana, the man was treated at hospital for cuts.

Downs has been charged with assault and is on bail.

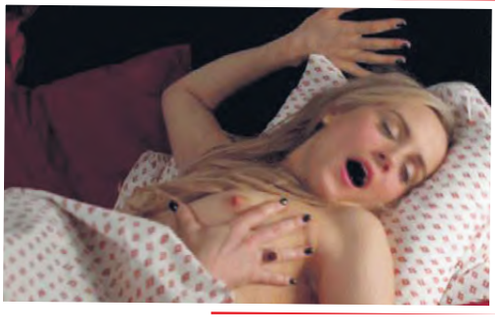
CORRIE BROOKE: WHY I LOVE WATCHING LESBIAN SEX

NO HOLES BARRED: *OITNB* pulls no punches with its hot lesbo action

Soap beauty is hooked on girl-girl lust drama

ADDICTED: Brooke's tweet (left) and (below) more raunchy scenes from the show



By JUSTIN DUNN
justin@sundaysport.co.uk

***CORRIE* star Brooke Vincent says she's addicted to lesbian prison drama *Orange Is The New Black*.**

Brooke, 22, who plays Street lesbian Sophie Webster, announced how much she liked the comedy drama on Twitter, saying: "It's official – I'm addicted to @OITNB"

And it seems she's not alone, with follower Laura Whitehouse replying: "me too!! Heaps of lesbian action lol!!!"

Not everyone was witty, however. Twitter user @Ashley_JJ wrote: "It's the inner lesbian in you."

OITNB is the latest smash hit from the online streaming website Netflix – and it's not hard to see why.

The series regularly features no-holds-barred lesbian sex scenes, mainly taking place behind prison walls.

Last month Brooke split from her boyfriend of three years, on-loan Chelsea signing Josh MacEachran.

BLOG BROTHER

Desperate Scousewives star & celeb blogger Jaiden Micheal joins Sunday Sport

BRITS abroad, you gotta love us! Parading around half naked, stinking of stale beer and kebab meat.

Well, one Brit has really done our country proud whilst on her holiday.

Have you seen the video of a young girl sucking 24, yes TWENTY-FOUR dicks as part of a drinking game in Magaluf?

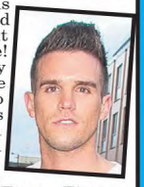
The girl has become an internet sensation after apparently being rewarded with a free shot for her oral efforts.

I don't understand our generation. This girl is now "Facebook Famous" even though she sucks willy like Gail Platt chews a Fruit Pastille!

I'm just waiting for it to be announced she will appear in the new series of *Celebrity Big Brother*, she's the exact calibre of "celeb" that the show signs up!

ANOTHER sex tape came to light this week.

Geordie Shore star Gaz Beadle filmed a girl giving his parsnip-sized todger oral sex while he was driving his £144k Ferrari.



The police are furious about his behaviour and he could be hit with a £9k fine!

I'm pretty sure the police wouldn't be so harsh if it was Barry from Bradford fingering a bird while driving his T-reg Fiesta, would they?? Poor Gaz, the price of fame eh, lad!

EVEN more "cheating" rumours have hit the internet this week regarding Jay Z and wife Beyonce.

Even though it hasn't been confirmed or denied by the couple, Beyonce added fuel to the fire by changing the lyrics to one of her songs she performed this week.

During the song, which is about a cheating scandal, she altered the track to reflect the current length of her romance with the rapper, singing: "*Been ridin' with you for twelve years. Why did I deserve to be treated this way by you?*"

The original lyric reads: "*Been ridin' with you for six years. Why did I deserve to be treated this way by you?*"

Why the hell would Jay Z cheat on Beyonce. Beyonce is sheer perfection. Jay Z has the face of a baboon's arse and the sex appeal of a Scotch egg. Ridiculous!

OOOH it's all kicked off in *Big Brother* this week, true colours seem to be shining through.

Ashleigh, the Irish brat, is apparently showing her "true bitchy side", according to fellow housemates.

I couldn't possibly confirm if this is true because I can't understand a single word the bimbo says. She sounds like Nadine Coyle on acid.

The main task this week involved some of the housemates being murdered by assassins. Wishful thinking...

IT HAS TO B STYLE FOR

BUSTY model Sarah B is far from RUFF – even though she does love sex DOGGY-STYLE!

The 32DD topless babe loves to feel a man "deep" inside her nethers.

And the Brighton lovely is happy to sacrifice seeing her man's face if she's getting a good seeing-to.

The 24-year-old glamour girl revealed: "I know a lot of girls love it in the missionary position, but doggy style sex is far better because there's deeper penetration.

DOGGY SARAH!

"I like to play with myself at the same time, and I also I like having my hair pulled from behind.

"It might not be the most intimate way to make love, as you can't see the guy's face, but I'd rather have the pleasure than be all lovey-dovey."

Saucy Sarah also admitted she enjoys a bit of slap and tickle.

She added: "I love having my bum spanked while I'm on the job!

"Not so it's red-raw or anything like that. I like having my bum cheeks lightly scratched, too. That's a really nice feeling."

Helmet wee plea drunk kicked cop

A DRUNK woman called a cop a "C**T" before asking if she could urinate in his hat.

Sanchia Robertson, 42, of no fixed address, pleaded guilty to assaulting a police officer and being drunk and disorderly when she appeared at Crawley Magistrates' Court.

Robertson saw the officer near homeless hostel Crawley Open House, where she is a client, and began shouting at him.

She walked towards his vehicle and shouted 'f*** off' and made hand gestures towards him before saying, 'I'm pregnant. Can I piss in your hat?'"

The officer warned Robertson not to swear, to which she replied: "I'm sorry for calling you a c**t".

She was arrested on suspicion of being drunk and disorderly and as she was being handcuffed she kicked the officer in the shins.

Robertson was fined £20 for being drunk and disorderly and £100 for assault.

Sex isle gets green light

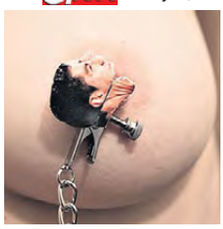
A SEX island has had its own warning traffic lights installed – to stop randy couples getting stranded when the tide comes in.

Tiny Sully Island can only be reached across a rocky causeway at low tide when it is popular with courting couples engaging in oral, full and even ANAL sex.

But it is cut off twice a day when the tide comes in – leaving the young lovers marooned half a mile away from land in the Bristol Channel.

So many get stranded in the summer that it is known as the "Sully Season" by lifeboat crews who have to bring the couples back to shore.

Now officials have set up the traffic light system at the sland near Barry, south Wales, to warn when the tide is rising.



Now Suarez can get teeth into boobs

LUIS Suarez has got his teeth into some kinky bedroom action ... by inspiring a range of nipple clamps.

The disgraced Liverpool and Uruguay striker landed a four-month ban for biting Italy's Giorgio Chiellini at the World Cup last week.

Swedish sex toy store Oliver & Eva have now brought out the £27 gadgets, featuring Suarez' face with bared teeth.

Company boss Tobias Lundqvist said: "Maybe Suarez will be happy to spread a bit of love, despite his mistake."

Suarez, 27, is in line for an £80m move to Barcelona. He had earlier bitten Chelsea's Branislav Ivanovic while at Liverpool as well as PSV Eindhoven midfielder Otman Bakkal while with Ajax.

Ward w*nker caged for drunk hospital tug

A DRUNKARD has been caged for a year after he was caught furiously masturbating in a hospital hallway.

Paul J. Sticklin, 54, was arrested at the Northeastern Nevada Regional Hospital, in Elko, after staff called police to report a "combative patient" was tugging in an area of the hospital where other patients and visitors could see.

One witness said Sticklin exclaimed he had to masturbate because he hadn't had sex in 10 years, according to a police report.

At a sentencing hearing, Sticklin admitted his guilt, saying: "I was very, very wrong in the whole matter."

District Judge Nancy Porter sentenced Sticklin to 12 months in prison and told the defendant he was required to register as a sex offender.

She added: "I think the biggest problem for you is alcohol. And I think you know that."

IS THIS WHY MURRAY SWORE AS HE CRASHED OUT OF WIMBLEDON?

Mystery of Scotsman's blue language may be solved

GAME SET AND SNATCH: The internet is awash with rumours about Murray's exit

A 20-STONE woman sat on Andy Murray's FACE five minutes before the start of the match which sent him crashing out of Wimbledon.

That is the outrageous and scurrilous claim being made by tennis fans bewildered by the 27-year-old's unexpected exit from the competition last Wednesday.

Andy crashed out of Wimbledon in the quarter-finals after suffering a mini-meltdown on Centre Court, where spectators heard two X-rated rants seemingly aimed at his own team.

By BRAD CHADWICK
news@sundaysport.co.uk

The Scot, who had cruised through the opening rounds without losing a set, made 37 unforced errors during his shock straight-sets defeat.

Even his opponent and friend Grigor Dimitrov claimed he did not seem himself as they warmed up before the match.

And the 23-year-old Bulgarian said: "As soon as we started to warm up I sensed that his game was not at the highest level."

In the second set, Murray was heard to bark 'shut the f**** up', seemingly towards his own team. As he fell 4-2 down in the third set, he was heard shouting 'five minutes before the f***ing match', in the direction of the players' box.

Last night speculation ran wild on the internet.

One user wrote: "It's clear to me that somehow a big fat woman sat on Andy Murray's face five minutes before the match and he was berating his team for letting it happen.

"That's the only logical way to explain his outburst."

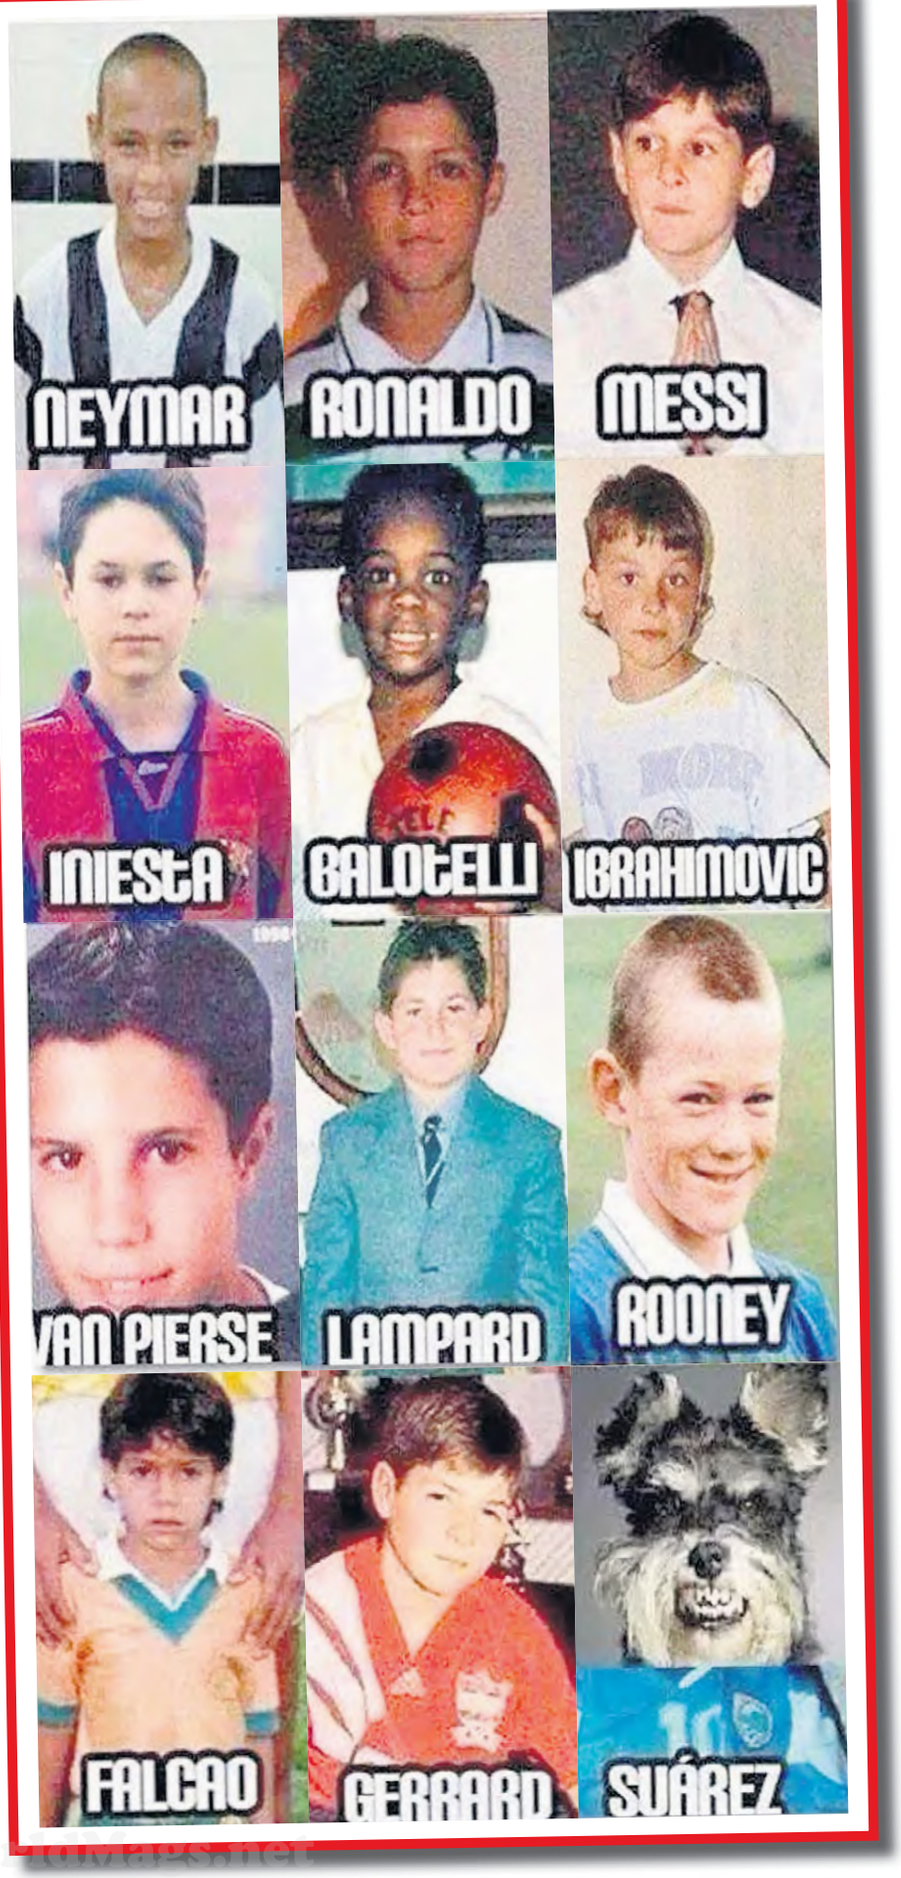
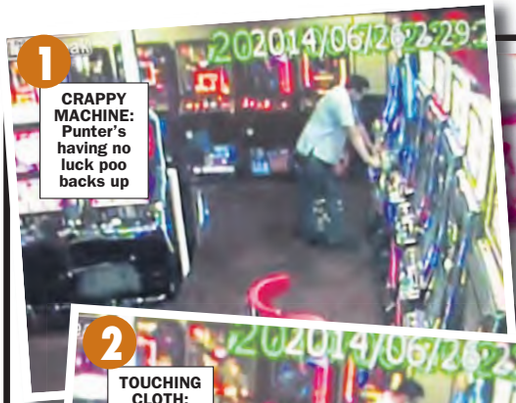
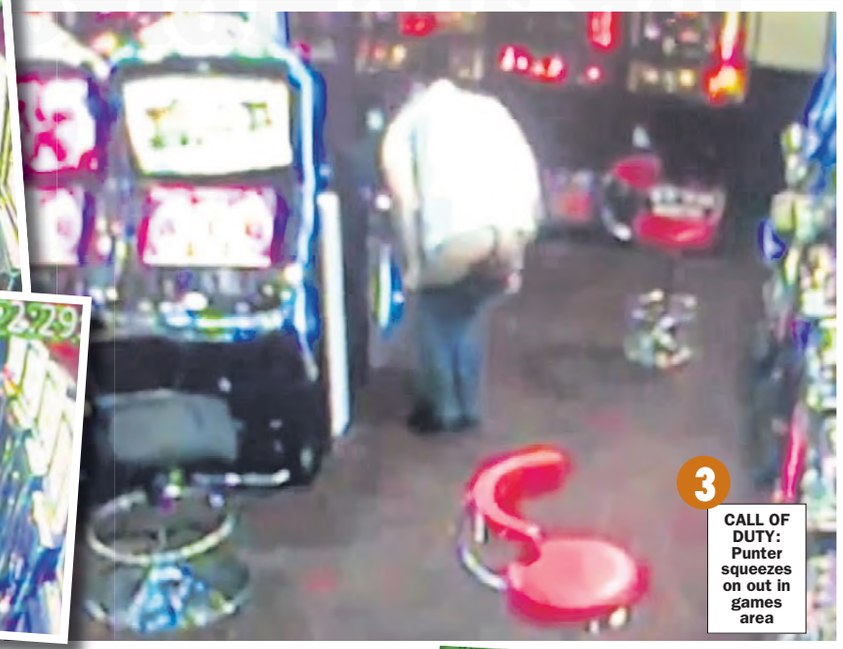
FOOTIE STARS AS YOUNG 'UNS...







HE'S HIT THE JACK-PLOP!

Gambler is so addicted to fruit machine he poos on arcade floor

By NEIL GOODWIN neil@sundaysport.co.uk

FUMING service station staff are hunting a stinky gambler who was filmed dropping a TURD next to a fruit machine in a brazen bid to hit the jackpot.

In vomit-inducing scenes, a man is seen looking agitated while playing on the bandit as it becomes all too obvious he's nursing a turtle's head.

The mystery plopper seems reluctant to visit the toilet, having clearly ploughed enough dosh into the fruitie to be confident that it's about to pay out.

And rather than risk losing his cash, he simply drops his trousers and lays a steaming cable on the carpet!

Amazingly, the man has a quick glance at this dirty deed, pulls up his keks, and carries on playing as if nothing has happened.

Within a minute he does indeed win big – scooping the loot into his pockets before fleeing the scene of his rancid crime.

Crapped

The astonishing shitting incident happened at Beaconsfield motorway services on the M40, Junction 2, last week.

A leaked video of the incident has employees of Quicksilver, the company who run the services' arcade games, talking over the footage in disbelief.

One says: "You can see him holding his bum. He wants to go. I think he's crapped himself already. Oh God!"

A spokeswoman for Extra Services UK, who run the stop-off point, said: "It is a one-off incident and Extra MSA does not condone totally unacceptable behaviour."

Fetish politician cranks it up for confidence vote

A YOUNG politician hopes a criminal record for his rare sex fetish won't shaft his career.

Jordan D. Haskins, 24, (*above*) is running for the state legislature in Michigan – and the only thing in his way is a string of criminal convictions for breaking into cars and WANKING.

Republican Haskins said he was a "young and stupid" teen drawn into criminal behaviour for "the thrill" and "the rush."

Police reports say he pulled spark plug wires from the vehicles he broke into, then tossed off as he pumped the pedal to make the engine spark.

The bizarre practice is known as "cranking," or "pedal-pumping," and Haskins told arresting officers he learned about it online.

He now hopes voters will give him a chance as a conservative who stands for "faith, family and freedom", adding: "I've made mistakes but I'm working to correct those things."

BEEB DRAMA BABE IS ALL WOMAN!

In the BBC2 drama Maggie Gyllenhaal plays Nessa Stein, a British businesswoman who finds herself at the centre of political spying storm in the Middle East.

And speaking of morals, Maggie has high standards when it comes to on-screen nudity.

The Yank beauty – sister of actor Jake – shot to fame in 2002 flick *Secretary*, in which she played a submissive office worker who loved steamy BONDAGE sessions with her stern boss.

The 36-year-old New Yorker was at it again in gritty 2006 flick Sherrybaby, playing a former heroin addict keen to sort her life out after a stint in prison.

Discussing her willingness to get her kit off, Maggie recently said: "I don't care about nudity. I don't want it to be sentimental or pretty. I want it to have a real perversity to it."

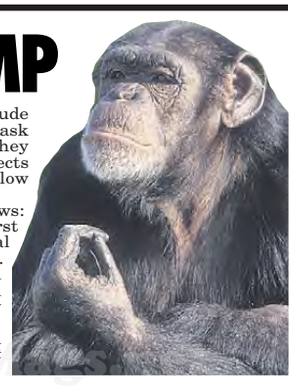
YOU-OO-OO CAN SPEAK CHIMP



BOFFINS are a step closer to being able to speak "monkey" after translating a range of chimp gestures which form a sort of language.

Researchers believe they have translated the key gestures used in the chimp community and deciphered their intentions for the first time.

From 4,351 gestures, experts were able to identify 66 that are used for 19 specific message meanings – including showing a foot to tell a child they can climb on their back, to demanding chimp SEX.

The researchers were able to narrow down these 66 gestures to 36 that are used intentionally to achieve 15 purposes, other than in play.

The translations were made by Dr Catherine Hobaiter and her colleagues at St Andrews University in Scotland.

Stomping

Observations were made on chimpanzees within the Sonso community in the Budongo region of the rainforest, in Uganda.

Other gestures include stomping their feet to ask another chimp to stop what they are doing, and slapping objects together to ask another to follow them.

Dr Hobaiter told BBC News: "We can finally say for the first time that another animal communication has meaning.

"Not just information and not just complicated communication, but fully meaningful communication.

The research is published in the journal *Current Biology*.

Cops launch manhunt for girl flasher!

RED-blooded males are rushing to volunteer as lookouts after police warned that a WOMAN flasher is on the prowl, exposing her naughty bits.

In the latest incident she exposed herself to young people in a park.

She's white, aged about 18, and was wearing a pink zip-up hooded top, black trousers and black shoes.

A police spokesman in Godmanchester, Cambs, said "I would appeal to anyone who recognises the description of this woman to call police."

SKINNY DIPPERS

TWO 'skinny' crooks are being hunted by cops in Sheerness, Kent, after they pinched bulking-up PROTEIN POWDER from a health food shop.

‘Fart juice’ ban takes wind from M&S sales

A BRUSSELS sprout juice has been BANNED from competitive farting – before it’s even hit the shelves.

Last week Marks & Spencer revealed the veg drink would go on sale at Christmas and that the sprout drink will be the first of its kind – intended to capitalise on the growing popularity of vegetable juices.

M&S’s head of product development said: “We’ve spent nearly 18 months working on this year’s range which we think is our best yet.

“For those a bit more adventurous, you can’t beat our Brussels sprout juice – we hope it will convert a few non-sprout eaters to the green side.”

But Graham Hopkins of the British Competitive Flatulence Society (BCFS), said: “This will clearly drive a waggon and horses through our rules.

“Drinking sprout juice and cabbage water before an event has been banned by the BCFS for years.”

Father prays for lazy ex at court

A MAN taken to court over maintenance payments to his estranged lover said prayers for her LAZINESS.

Thembinkosi Sibindi, 42, was taken to court by Sinini Khumalo, 37, who wanted £100 for the upkeep of their child.

Sibindi stood up in court and said: “I can feel it in my soul that the Holy Spirit has given me this calling. All women are possessed with different spirits. Some of you have a spirit of laziness – that is why you bring your husbands to court instead of looking for jobs.

“Some have spirits of infidelity – that is why you get impregnated by married men. I command these spirits out of you!”

But magistrate Victor Mpofu ordered Sibindi to pay the £100.

STEVE EXPLAINS WHY HE SUPPORTS ‘REVENGE PORN’ BAN

MISSUS BUMMED ME WITH A STRAP-ON... AND PUT VID ON THE NET!

FOOL: Steve can’t go out in Crewe after this vid was posted online

PROBED: Ex missus Julie dons rubber cock before probing Steve’s bum

WHEN Steve Green dumped girlfriend Julie Bates after five years of ear-bashing hell, she threatened to “f* him right up the arse”!**

But she’d already done that – satisfying one of 42-year-old Steve’s sex whims three years ago.

And the evidence of her shafting him while wearing a STRAP-ON was on VIDEO.

So when Steve gave Julie, 38, her marching orders, she had her revenge by posting the footage online.

Thousands of people – including many of the couple’s friends and acquaintances – had viewed the movie within hours of it being uploaded.

Steve is now backing moves to help outlaw “revenge porn” – where spurned lovers get even by sharing intimate moments on the net.

By BARNEY SAMUELS
news@sundaysport.co.uk

Rubber

Bravely speaking out at his home in Crewe, Cheshire, Steve said: “OK, I was a bloody fool to let Julie film herself bumming me up the arse with a foot-long rubber cock.

“But at the time I had no idea we would split. I thought she was the one and that we’d be together forever. But it turned out she was a right whingeing bitch, so I got shut.

“She didn’t take it well and put the video online. Now I get jeers and catcalls whenever I go out in Crewe.

“There should be laws to stop this ‘revenge porn’ bollocks.”

Justice Secretary Chris Grayling has said the government is “very open” to the idea of changing the law to tackle what he said was a “growing problem”.

POLICE IN HUNT FOR FOUNTAIN SEX PAIR

WET A SIGHT: Pair have it off in public

COPS have been ordered to give top priority to tracking down a couple that had sex in broad daylight on a public fountain.

They were alerted by angry local MPs who said the young couple should have the book thrown at them.

The couple’s escapade was spotted by Aleksey Douhov, 26, and friends who took a short video of the laughing couple as pedestrians walked past.

The horny pair paid the passers-by no attention and continued their open-air scuttle.

He uploaded it to the Internet, where it quickly became one of the most watched videos.

After finishing, the woman then climbed off the man, leaving him fully exposed, and then both got dressed and walked off laughing.

Police in the Russian city of Samara are looking for the couple and warned them that when caught they will face charges of offending public decency which could see them jailed.

DEANO ON SUNDAY

I CONFIDENTLY predict a new hazard on the roads after this weekend – the corpses of hundreds of fat cts who, after being "inspired" by the Tour de France, have taken to their newly-purchased bikes to "get fit" and expired through cardiac arrest.**

Folks, the only thing you are going to get if you cycle on our awful roads is flattened.

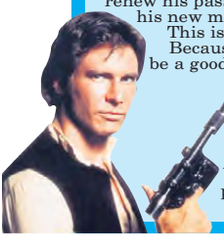
Which is one way to get thinner, I suppose.

Don't just take my word for it. Chris Boardman, Olympic medallist and British Cycling policy adviser, said: "It's clear... people don't feel safe when riding their bikes on our roads.

"In order to rectify this we need a clear commitment from government and local authorities to prioritise the safety and needs of cyclists in all future transport schemes."

Which is something I support wholeheartedly.

The problem is that the government is spunking its transport budget for the next millennium building a railway that will get you to Birmingham three-and-a-half minutes quicker.



A 35-YEAR-OLD *Star Wars* fan called Dominic Kimberley changed his name to Han Solo but was disappointed when he was unable to renew his passport using his new moniker.

This is a shame. Because it would be a good thing if all people like Dom left the country.

And then didn't come back home, preferably.

Feminist fools have idiocy down to a tee!

WHENEVER I'm stuck for something to write about in *Deano's World* I quickly turn to *The Guardian*.

The self-important left-wing rag at least has one purpose.

It is a twat-magnet.

Any deranged leftie with a hare-brained axe to grind is allowed to spout off in its pages. And it's madness that deserves being shared with the wider, saner world.

Last week, *The Guardian* was getting upset about... wait for it... GOLF TEES.

Now, nobody detests golf more than me. But getting angry about golf tees is the act of an unsound mind.

Specifically, the hairy-legged lot at *The Guardian* are incensed at a product sold by Dunlop called Nudie Tees, which are shaped like naked women (GEDDIT!).

A woman called Jane Martinson wrote on *The Guardian's Women's Blog*: "Many thought sporting chauvinism could sink no lower. Then came the golf accessory manufactured to resemble naked, armless, decapitated female bodies."

The implication being that golf tees in the shape of naked women will encourage men to decapitate women.

Even men who play golf are not that stupid, Jane.

An activist called Joanna Sharpen is quoted as saying: "The product resonated with me because the bodies are headless and two women this year were decapitated.

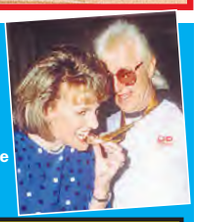
"They have no arms, as if women are purely sexual objects and have no need of a head or arms. People see them as a gimmick, a novelty. But they do so much damage."

No they don't.

No sane person would argue that violence against women was not a deadly serious subject. We all agree that those responsible should be punished with the full weight of the law.

But the daft bats given space in *The Guardian* to claim that golf tees encourage violence against women actually trivialise the subject.

They are the ones who "do so much damage", to quote Joanna Sharpen.



IT was refreshing to hear Esther Rantzen on the telly in the wake of the Rolf Harris case.

Is this the same Esther Rantzen who "heard the rumours" about Jimmy Savile but did nothing about it?

Just checking.

IN 1998, the modern artist Tracey Emin "created" an unmade bed surrounded by empty vodka bottles, fag butts and condoms.

Last week, this "art" sold for £2.5million.

It would take the average worker 100 YEARS to earn £2.5million.

But someone out there is so wealthy, they feel able to spend this eyewatering sum on a dirty bed.

I am no socialist. I envy nobody their wealth. From what I've seen of wealthy people, I prefer not to be rich.

But if you can afford to waste that amount of money – and YES, whatever art arseholes tell you, it IS a waste of money – surely something's very wrong.

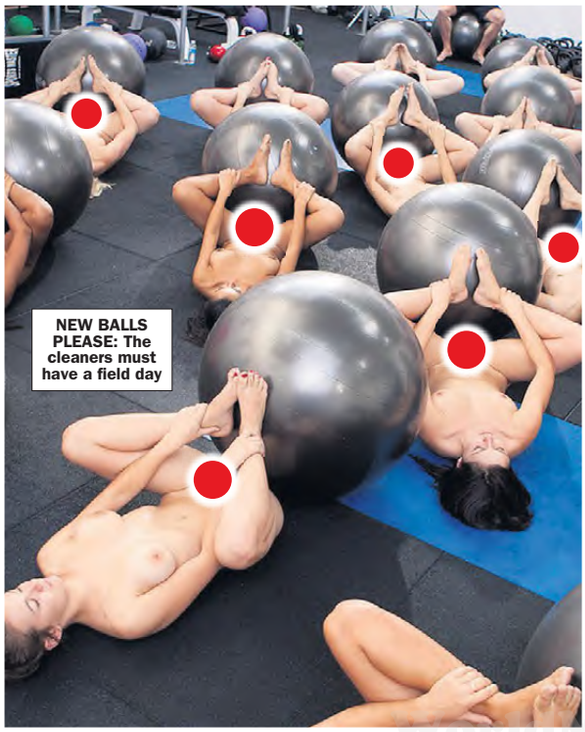
GET YOUR HANDS UP: The women go for the burn

What REALLY goes on in a women's exercise class?



NEW BALLS PLEASE: The cleaners must have a field day

By NEIL GOODWIN
neil@sundaysport.co.uk

NOTE to female celebs: THIS is how you do a fitness DVD!

Forget Davina McCall doing crunches in Lycra, or *Geordie Shore* babe Vicky Pattinson's *7 Day Slim* vid.

These astonishing snaps come from a new NUDE, all-female workout session that is going down a storm in Sydney, Australia.

The organisers reckon exercising starkers is much easier than while clothed, as grunters are not restricted by sweaty garments.

And naturists are flocking to the classes so they can get hot and sweaty while their boobs bounce free.

One participant said: "There's no embarrassment factor when everyone in the room is naked.

"And it really encourages you to crank out one more repetition, especially if the room is a bit cold and you need to warm up!"

PRINTED ON RECYCLED PAPER FROM SUSTAINABLE SOURCES

TERROR COPS BAN GIANT WILLY FROM AIRPORT!

A HAPLESS hen party accidentally sparked a security scramble at a busy airport – because the bride-to-be was dressed like a massive PENIS!

Brunette Hannah Taylor, 26, jetted-out to Marbella, Spain, earlier this month with a gaggle of her female pals.

But the group found themselves accosted by angry staff as they drank in a pub at London's Gatwick prior to their trip.

And baffled Hannah was even ordered to REMOVE her 'offensive' schlong suit.

By NEIL GOODWIN
neil@sundaysport.co.uk

Risk

Sources at the travel hub also claimed that Hannah's very amusing cock-and-balls costume posed a 'security risk' – with British airports currently on a high state of alert following fresh terror threats.

Hannah's close pal Laura Allsford fumed: "Talk about an over-the-top response to a joke.

"We weren't being rowdy. But all of a sudden security guards turned up and escorted us out of the pub we were in, saying they'd had loads of complaints, and telling us Hannah's dress was offensive.

"What a load of nonsense. We're on a hen do, for God's sake – of course she's going to be wearing fancy dress!"

Hannah, from Whitton, south London, is due to wed her lucky fella Jake Somner later this summer.

BRITAIN'S GRUMPIEST COLUMNIST

Les Miserable

IT'S been a good week for justice as disgraced entertainer Rolf Harris was thrown into jail for a string of sex offences against young girls.

His perverted reign of touching-up terror is now at an end, but for some people, the nightmare has only just begun.

I'm talking about the other prisoners on the nonce wing, who will have to put up with the weird, annoying old f*er for the next three years.**

They probably expected to keep their head down and do their time in peace and quiet, without having some Antipodean bellend wandering around the corridors with his f*ing wobble board.**

With a bit of luck, prison life will be the undoing of Harris and he'll end up barricading himself in his cell, smearing his own shit on the walls and muttering 'can you tell what it is yet?' to himself, over and over again.

THE Tour de France has come to England, setting off with an historic stage that travelled through some of the most picturesque parts of Yorkshire.

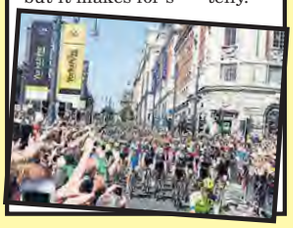
Thousands of fans turned up to cheer on the cyclists. Thousands of slow-witted f***wits in other words. Imagine giving up most of your day to a bike race.

You head to a spot on the route nice and early so you can get a good view and then wait. And wait. And wait.

After a few hours the cyclists arrive, whizz by in the space of six seconds in some kind of multi-coloured lycra blur and then you f*** off home again.

The only thing worse would be watching the whole thing on TV. Three hours of cycling with a frenzied sprint at the end.

Sounds like a great w**k, but it makes for s*** telly.



THE Queen was in Scotland last week, launching a new aircraft carrier which has been named after her.

Is she f*ing mental? By giving it her name and crashing the bottle of champagne off it, she's basically condoning the deaths of her subjects who will fight in wars on the boat.**

She should have used her powers to take command of it and sail it round the world, getting p*ed up and launching missiles at desert islands for laughs.**

Well, mostly desert islands. 'Whoops! Did one just blow the s* out of North Korea?' Oh dear…'**

TRULY BLOODY FILTHY!

GORE BLIMEY: Anna and hot co-stars get nude & rude on vampire show

By JUSTIN DUNN
justin@sundaysport.co.uk

AFTER six years of fangs, blood, nudity and lots and lots of SEX, the final season of *True Blood* begins this week.

Episode one of series seven is screened tomorrow (Monday) night on Fox and fans will be delighted to know that they can expect MORE of the same!

The show first aired in September 2008 when vampire Bill Compton staggered into the bar run by psychic Sookie Stackhouse, played by real-life couple Stephen Moyer and Anna Paquin.

What followed was a gore and bonkfest as bloodsuckers tried to integrate into society and normal humans got high drinking their blood.

X Men babe Anna, 31, bared her flesh alongside Jessica Clark, Bailey Noble, Valentina Cervi, Larolina Wydra and Val Emanuel.

One Fox source said: "It's been one hell of a ride in Bon Temps, Louisiana, but trust me, the series is going out with a bang!"

LEAH'S OUTRAGEOUS TANTRIC SEX SESCRET

COVER GIRL

By NEIL GOODWIN
neil@sundaysport.co.uk

STUNNING glamour babe Leah Francis has let slip her kinky TANTRIC SEX party secret.

The gorgeous blonde recently spent 12 months jet-setting around the globe on a gap year.

And at one point, the 26-year-old found herself at a hippy-style ORGY in South East Asia.

The 32GG beauty revealed: "There's a secret island in Thailand where they hold tantric sex parties every weekend.

Cheating

"That was interesting!

"I also wound up in a big-money gambling session with my mate in Trinidad and Tobago.

"I'm not a gambler and fell asleep, only to wake up and find a gun on the table!

"They were accusing people of cheating. I was like, 'We need to get out of here!'"

The Southampton-born babe also found herself eying up other scantily-clad LADIES on the beaches of Brazil.

She revealed: "I just took a spot on the beach, put my sunglasses on and cheered myself up by looking at all the hot men and women."

CAPTION CONTEST

WIN £50

THIS WEEK

YOU weren't KIDDING around with your entries for last week's Caption Contest, folks.

But only one can be the winner and this week it's **John Burman,** from Canning Town, with: "Billy The Kid rides again!"

Congratulations, John – you'll receive a cheque for £50 in the next few weeks, but lots of others made us laugh, too.

Robert Lewis, from Clacton-on-Sea: "Hey kid, will you get off my f***ing back?"

Laurie Dodds, from Sunderland: "Going bareback again? You never learn!

Phil Chater, from Stourbridge: "I said it was nippy and that I needed a coat on my back. A bloody COAT."

David Rushton, from Accrington: "I was told not to get on my high horse."

Michael Degnan, Bishop Auckland: "He ain't heavy, he's my brother."

Madeleine King, Doncaster: "I don't mind helping him reach the leaves, I just wish he'd get off before he has a crap!"

A R Hall, Porthcawl: "If you piss or sh*t on my back again, you'll be going a lot f***ing higher than you are now."

Now it's YOUR turn to see if you can win a cool £50 with your wit.

Just come up with a caption for this pic on the left, fill in the coupon and send it to our brand new HQ: Caption Contest, C/O Sunday Sport, Floor 3, Maclaren House, Lancastrian Office Centre, Talbot Road, Old Trafford, Manchester, M32 0FP.

Entries must be with us by Friday.

STUDENTS TALK SEX!

CAMPUS COITUS

PENNY: Do you think students have better sex lives than other people?
EMILY: Yes. There's more time to have sex when you're at uni. Working people can only do it before 9am and after 5pm, whereas we can do it all day long.
PENNY: I think we have better sex lives too. You can pick and choose and have a different guy every night of the week if you want to.

If you did that in the working world you'd get talked about, but at uni it's just the norm.

OLDER MEN

EMILY: Have you ever fantasised about any of your teachers?
PENNY: Yes, my geography teacher in sixth form was fit. He had an attractive personality and a great body.
EMILY: Did he know you fancied him?
PENNY: No, I was way too nervous to tell him, but I had a few nice dreams about him. I like older men, but I wouldn't go with anyone older than 30.
EMILY: I had the hots for my maths teacher. He was about 30 and was like a mate with me.

I could never have made a move because he was my teacher, but he was well fit.

WORST SEX

EMILY: I hate having sex when the guy is drunk. I was having sex with my ex-boyfriend once and he couldn't keep it up for longer than two minutes.
PENNY: What did you do?
EMILY: I tried for an hour and then gave up. It was the crappest sex of my life.
PENNY: At least he got it up for two minutes. I'd been to a club with my ex once and was feeling horny when we got home.

I dragged him into the bedroom and he came in his pants before I even managed to get them off.
EMILY: Didn't you just wait a bit and try again?
PENNY: No, he rolled over and was snoring his head off. It was a terrible performance.

LESBO LOVING

EMILY: Do you like snogging girls?
PENNY: Yes – it's funny and girls have softer lips so it's nice kissing them.
EMILY: Would you go further?
PENNY: No, the thought makes me cringe. Snogging girls is fun but it doesn't float my boat in that way.
EMILY: I like the fact you get loads of attention from guys when they see you snogging another girl. It's funny.

You are guaranteed to pull a fit bloke if you snog your mate in a club. I'm definitely straight though – I'd never go further than kissing with a girl.

BUM FUN

PENNY: Have you taken deliveries up the rear exit?
EMILY: No, I'm a bit wary of bum sex because I think it'll hurt. I'm enjoying normal sex at the moment, so I've no plans to let a bloke go up there.
PENNY: Do you think you ever will?
EMILY: Never say never.

PENNY: I haven't done it yet. A couple of boyfriends have asked but I have always politely declined. It's never appealed to me.
EMILY: Will you do it when you're married?
PENNY: Only if he gets on his hands and knees and begs me. Then I'll consider it. Maybe.

OUTDOOR BONKS

EMILY: Have you done it outside?
PENNY: Yes. I did it round the back of a nightclub with one of my boyfriends. I felt excited about doing it in public.
EMILY: Did anyone spot you?
PENNY: No, but it was the thought of getting caught that was fun. The only down side was that it was so cold.
EMILY: The wildest place I've ever done it was in a posh hotel lift. My boyfriend took me away for a dirty weekend and we got carried away after a night out.
PENNY: Was it the thought of getting caught?
EMILY: Yes, that and the fact there were mirrors in the lift so I could watch us having sex. It was very erotic.

FAVE POSITION

PENNY: What's your favourite sex position?

EMILY: Probably missionary because the bloke has to do all the work. I don't like being on top because it's too tiring.
PENNY: I like the spoons position because you get cuddled and shagged at the same time.

WILLY SIZE

EMILY: I had a one-night stand with a lad in my halls of residence who had a massive willy.
PENNY: What was it like?
EMILY: About eight inches long. He had a great body too and was very athletic. I couldn't contain myself when I saw how big it was and was eager to get him into bed.

He didn't disappoint. It was the best sex of my life and lasted for about eight hours
PENNY: The biggest one I've had was nine inches and that was a guy I had a fling with.

When I saw it I was over the moon because my friends had told me big willies are ace.
EMILY: Did it feel good?
PENNY: Yes, but I don't think it was because it was big, it was just because he was experienced and knew what buttons to press.

ONE-NIGHT STANDS

EMILY: How many one-night stands have you had since you started uni?
PENNY: Four and they were all good apart from one. The other three were great in bed and I had no regrets the next day.
EMILY: Why was the other guy crap?
PENNY: He was a virgin, but didn't tell me until we got into bed. He came in 10 seconds and then insisted on staying the night.
EMILY: My two one-night stands were great despite me being drunk on both occasions. They were both great lovers and I could be more dirty than normal because I knew I'd never have to see them again.
PENNY: Was it awkward the next morning?
EMILY: It was with one of them because I couldn't remember his name and I couldn't get him to leave.

OH NO MOMENTS

PENNY: Have you had any embarrassing moments in the bedroom?
EMILY: Yes, I broke the bed in my second week of uni. I had a one-night stand with a guy and the sex was so rough we went straight through the bed.
PENNY: What happened?
EMILY: We just laughed it off, but I had problems explaining it to my dad when he got a £300 bill from the university.
PENNY: The most embarrassing moment I've had was on a one-night stand.

I couldn't get the condom out of the packet and by the time I had his willy had gone floppy. It ruined the moment.

FIRST TIME TOPLESS...

KELLY WILD

By ALICE WALKER
alice@sundaysport.co.uk

FIESTY Kelly Wild certainly lives up to her surname – because she's a ANIMAL in the bedroom!

The busty blonde admits she is insatiable when it comes to nookie, and loves getting it on inside and in the great outdoors.

The 20-year-old, who works in a clothes shop, whipped out her 34C breasts for this debut photoshoot, and purred: "I have always had a massive sex drive and my mates always joke that I am wild by name and wild by nature.

"The most times I have ever done it in one night is probably ten. I guess you can say I've got a healthy sex drive."

Kelly, from Southend, Essex, says posing topless means she can unleash her cheeky side.

She added: "I've always been an exhibitionist.

"I have been caught having sex on the beach a couple of times. In fact, every time I go for a walk with my man I end up doing something naughty."

BRITS GO NUTS FOR MALENE

By JUSTIN DUNN
justin@sundaysport.co.uk

YOU may recognise busty Malene from your local boozer – she's been the face of Big D nuts!

And it's her crackin' curves featured on the cardboard bit behind the packets.

But there's more than one string to the Danish babe's bow – she has also been a presenter on Sky One's top science show *Brainiac*.

The 32F stunna said: "People often see the big boobs and the blonde hair and mistakenly take me for a bimbo.

"I'm anything but.

"Sure, I can play the ditzy blonde if I want to, but I like to surprise people and unsettle their expectations!"

The 30-year-old now lives in Kingston upon Thames, but was brought up in the Danish capital, Copenhagen.

She added: "I love going home to Denmark but I love being here in Britain too.

"The weather is fabulous just now and that makes everyone happier, doesn't it?

"It also means I can do plenty more nude sunbathing in the garden!"

Malene Espensen
Age 30, 32F-24-36, from Kingston upon Thames

Dear Bailey,

MY husband likes to take explicit naked films of me on his mobile and a few weeks ago he invited a couple of his mates back from the pub to ours, so they could also video me stripping.

I slipped into some new sexy undies I'd bought and was saving for our next session together and my hubby filmed us as his mates undressed me.

My man was like a film director – telling me what to do with the two guys. Then he joined in and got one of them to take me doggy-style while I gave him and his other pal blowjobs.

Now we make a vid together every week.

The only problem is that I think it's a bit strange that my husband wants to share me with his mates.

Do you think I should carry on making these naughty videos?

DL, Staffs

Bailey says...

YOU are obviously keen exhibitionists, so if you enjoy making the films, then carry on.

Dear Bailey,

I'M a 26-year-old single girl with a very big appetite for sex.

But recently I met someone who could be Mr Right and I'm facing a massive dilemma.

When we met, it began as usual with me having a few drinks with girlfriends in a wine bar.

I was on my third vodka when he walked into the bar. What a hunk!

He's a shade over six feet tall with an athletic physique, short spiky hair and a tanned complexion.

I wasted no time giving him the eye but he seemed to be ignoring me.

So when he went off to the gents I followed him in and dragged him into an empty cubicle.

I ripped open his shirt to reveal his bronze torso and bent to lick and nibble his nipples while shoving a hand down his flies to massage his thick dick.

Then I dropped to my knees to suck him hard while kneading his swollen balls with my hand.

Without a word, he pulled up my dress and plunged two fingers into my wet c**t before making me stand against the door. Then he pushed his nine-inch tool deep into my pussy and humped me hard and fast.

It was the best shag I've ever had and since then we have been dating on and off, always finishing with sex.

But it has never come close to matching up to that first time.

Should I stay with him or go back to my one-night stands?

SF, Teesside

Bailey says...

DEPENDS if you want a relationship or just a shag.

Dear Bailey,

I WORK for a small company doing deliveries.

The office is full of girls and they are always asking me to collect things for them.

It's usually pretty simple stuff, like a spot of lunch or maybe their dry cleaning.

But the other week, one of them asked me to pick her up some kitchen worktops.

I agreed and I told her I'd meet her at her house in our lunch hour and when I got there she pushed her hands down my pants and pulled out my throbbing cock.

She then sank to her knees and took my cock in her mouth and as she sucked on it I could feel myself on the cusp of climaxing.

But I held back and f***ed her as hard as I could. At one point her hand was cupping my balls and she said: "I want you to shoot it all over my tits!"

I pulled out of her dripping fanny and shot my load over her massive melons.

Now she wants her fella to watch me f*** her.

Do you think I should?

LY, Dorset

Bailey says...

YES, if he promises not to stick it up your bum while you're banging his missus. And tell him, "No touching sacks!"

AGONY WITH Bailey

Age 26, 34DD-24-35, from Guildford

Sex with busty new girl is breast ever!

Dear Bailey,

MY latest girlfriend is a real looker with a great body and who bangs like a shithouse door when the plague is in town.

She's 25, blonde and has fantastic 36DD breasts which I just can't get enough of.

We met while I was out with the lads in a trendy nightclub in town and after a couple of smooches at the end of the night I persuaded her to come back to mine.

Once we got to my flat we had a couple more drinks and then we started getting heavy on the sofa.

Soon we were both naked and I almost fainted when I gazed at her mouthwatering tits.

It wasn't long before I was sucking on one of her ripe, pink nipples as she played with my hard cock.

Then, once we were both aroused, I got her on all fours on the carpet and thrust hard into her from behind.

Before long she was howling in delight but I'm ashamed to say that I climaxed rather too soon.

However, she quickly went down on me and I was soon rigid again and raring to go.

This time she lay on her back and put her legs on two stools, allowing me to get really deep penetration, and we were off again.

Like the first shag she was soon screaming and this time it was her who reached a rather premature orgasm – which made me feel better!

I carried on pumping away for a few minutes until I came too.

Then we just lay in each other's arms and had a smoke together.

After a while she lay on her back and got me to sit on her tummy. Then she cupped my erect knob between her giant tits and squeezed them together.

As she did so I began to push in and out and I was soon on the verge of shooting my load again.

I only just managed to pull myself away before spurting my love juice over those gorgeous breasts.

Now when we meet I shag her boobs at least four times in every session.

In fact, I'd rather screw her tits than her fanny and she's happy for me to do this.

Is this normal – or acceptable – behaviour?

DP, Birmingham

Bailey says...

NOT in the least. As long as you are both happy, go for it.

Dear Bailey,

A FEW weeks ago on a weekend break in London my girlfriend and I went to a late-night movie.

We'd had a meal and quite a few drinks beforehand and by the time we were walking to our hotel we were both in desperate need of a piss.

As we turned a corner we found an automated bog. I'd never used one before but we went in together for a laugh.

After relieving ourselves it seemed a shame to waste the private moment, so my girl bent over and started gobbling me!

We got pretty worked up and soon she mounted my dick and I rammed her good and proper.

We were pretty pleased with ourselves until we emerged to find a group of fellas cheering our exit.

They had clearly heard the racket me and the missus had been making while screwing inside the street khazi!

But we now enjoy regular nookie sessions in these "Tardis" style loos and often go in search of new ones to have naughty al fresco sex inside.

Do you think this is OK?

TV, Herts

Bailey says...

GREAT idea, but mind you don't get locked in. It could be a bit more embarrassing for you both, if the emergency services have to kick the door in!

Dear Bailey,

I'M a 27-year-old woman and I've been having sex with a neighbour's son for the past six weeks.

He's 18, 6ft 2in tall and I can't get enough of him.

The first time we f***ed he was a virgin but now he's a lot more experienced – and experimental.

He takes me front, back and sideways and when he goes down on me I never fail to orgasm.

Last night he shagged me for TWO HOURS solid.

This morning I could hardly walk properly – that's because I let him take me up the arse. But I think he banged away to hard at my poor little nipsy – it hurts like hell today!

Anyway, he really loves it when I lick his balls and tickle his arsehole while I suck him off.

And I love it when he plunges my hidden depths with his big dick and orgasms all on my tits.

But do you think I'm wrong for having it off with a lad who is so much younger than me?

The other thing is he wants his mates to watch and take vids on their mobile phones.

Is this a good idea?

I think his thick cock has sent me a bit daft and I can't make any sensible decisions for myself any more.

Please help!

BN, Kent

Bailey says...

LUCKY you! But tell him and his mates where to stick their mobiles.

SEX CONFIDENTIAL

SUSAN AND BARBARA ARGUE ABOUT THEIR TRUMPERS

Bailey says...

SNEAK into any women's changing room, or watch some footage secretly taken inside one, and you'll notice women like comparing their bodies.

In times gone by, the fairer sex used to ask, "Does my bum look big in this?" hoping the answer will be, "No".

But thanks to the popularity of big-bottomed celebrities such as Kim Kardashian and Angela Merkel, the titanic trumper is high fashion.

Many a fight has begun in ladies' lavatories, between drunken girls, because an argument over who has the bigger bottom has turned physical.

MUSIC MISS SUCKED OFF LAD IN STORE ROOM

By BRAD CHADWICK news@sundaysport.co.uk

A MUSIC teacher had sex with a student in a storage room at their school.

Michelle Strickland, 23, has now been charged with having an improper relationship with the 18-year-old male pupil.

The assistant band director and the teen went into a store room in the band hall of Houston's Stratford High School, Texas, where they had oral sex.

They also romped at the student's home over the spring break and sent explicit text messages.

Police investigated the improper relationship in April after receiving an anonymous tip off.

The principal told cops he checked the lad's phone contact with his member of staff which suggested an ongoing sexual relationship.

Strickland, who joined the school last year, was removed from her class and was later dismissed.

Parents of other pupils were sent a message by the head, which said: "Our No.1 priority will always be the safety of our students. We will take swift and decisive action against any employee who ever endangers a student.

"The bond of trust between parents and students and the staff of the school district is critically important.

"If these allegations are proven true, we urge the justice system to take the strongest possible action."

TRACTOR BOY TYSON'S UP FOR IT

TYSON FURY believes that Dereck Chisora will be a pushover after becoming boxing's tractor boy.

The 6ft 7in man mountain meets Chisora *(right)* in Manchester on July 26 in a WBO heavyweight title eliminator.

Chisora's European crown and the vacant British title will also be on the line in their Phones 4u Arena clash.

Part of Fury's training regime involves pushing a three-and-a-half ton tractor near his Bolton training base.

And the proud traveller is challenging *Sunday Sport* readers who doubt his shoving prowess to have a go themselves.

Unbeaten Fury, 25, who beat Chisora when they clashed in 2011 said: "Pushing a tractor is a killer.

"If anybody thinks it's easy, come down here and have a try – you'll see.

"The tractor is over three tons. It takes every last ounce of strength in my body, but I'm pushing it back.

"With every push of the tractor wheel, all I'm thinking about is puncturing Chisora's face with every punch I throw."

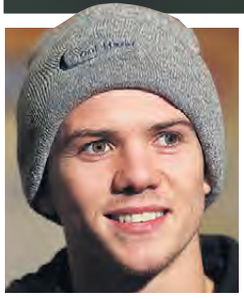
With his uncle and trainer Peter Fury beasting him with such regimes, it is easy to see why his confidence is soaring just 20 days short of the battle.

He added: "When Chisora's in front of me and he's trying to bulldoze his way in, he'll be coming up against an immovable object. He'll be like a bug hitting a windscreen. Another killer exercise is flipping the tractor tyre, it's probably the best all round strength exercise there is.

"Flipping the tyre uses the back, chest, arms and leg muscles, while pulling it back uses the inner core strength involving the stomach muscles.

"The actual boxing is easy compared to this!

"It's hell, but this is where the real champions are made. Train hard and brutal and the fights are easy – don't train like this and fights are murder. That's my motto."



GLOVELY RETURN FOR CAMPBELL

LUKE CAMPBELL returns to action in Liverpool on Saturday – and the Olympic hero says he cannot wait to lace the gloves up again.

Campbell took time off for family reasons after racing to 5-0 in the paid ranks and the London 2012 gold medallist boxes Craig Woodruff in a six-rounder. "It has been five months or more and I am looking forward to getting back in the ring," admitted Campbell *(left)*.

"The break has given me a good opportunity to spend time with my family and I have always been in the gym ticking over and working on certain things.

"Now everything is steady and good, everybody in the family wants to see me back in the ring and doing what I do best.

"I've always been keeping fit – I am in the gym every day.

"But the time out has given me the opportunity to be in the gym AND spend some time with my family.

"Not having to worry or think about anything else – that is what I have been doing."

TOUR DE FRANCE

KITTLE DO FOR MARCEL AFTER CAV'S BIG FALL

MARCEL KITTEL won the opening stage of the "Tour de Yorkshire", but it was the crash of Mark Cavendish that overshadowed the final run into Harrogate.

The Manx Missile was in a bunch sprint and with only 200 yards to go tangled with Simon Gerrans.

They both went down, but Cavendish, with a suspected broken collar bone, is unlikely to continue.

It was much more peaceful when the Duke and Duchess of Cambridge and Prince Harry gave the opening stage of the Tour a royal send-off from Harewood House yesterday morning.

The opening 190.5km stage took the riders through the Yorkshire Dales before they looped back and headed south into Harrogate – the home town of Cavendish's mum.

DOWNED: Cavendish

Attack

Sprinter Cavendish was one of four British riders to take the start, along with defending champ Chris Froome, team-mate Geraint Thomas and Simon Yates.

Froome and Cavendish had led the pack north out of Leeds along roads lined with thousands of fans as the people of Yorkshire came out to show their support.

At the official start, the oldest man in the race, 42-year-old Jens Voigt, launched an attack off the front, joined by Nicolas Edet and Benoit Jarrier.

They soon built up a lead of more than three minutes as the route went north through Ilkley and Skipton.

Jarrier led the trio over the top of the Tour's first major climb, the category four Cote de Cray, with their lead over the peloton still around three minutes.

Voigts then launched a solo attack to be the first over the top of Buttertubs, the longest and most famous climb of the day.

The peloton regrouped after the final climb, with the sprinters ready to fire, but Cavendish crashed out, and left Kittel to take yellow with Froome in sixth.

FORMULA ONE

Hamilton is a Brit sorry

LEWIS HAMILTON has apologised to his fans after another error saw the Mercedes driver qualify down in sixth for the British Grand Prix.

Having already thrown away likely pole positions in Canada and Austria, the 2008 world champion looked set for top spot at Silverstone, only to slow down on his final run, giving No.1 slot to team-mate and rival Nico Rosberg.

Hamilton *(left)* was quickest early on, but after pulling out of his final run he said: "I made a mistake today and pulled out of the lap when I should have kept going.

"I'm so sorry to have disappointed the fans today, and I'll do what I can to have a great race for them tomorrow."

DOG LEADS BY MICK LIVESEY

THE RPGTV cameras roll in to Henlow tonight for a cracking card packed with open races, we landed a nice Sunday treble last week, let's keep this rich vein of form going and try and take some more money off those bookmakers.

Backing greyhounds that have never been around a circuit is fraught with danger. Tonight though I'm going to go against that principle and tip up Ballymac Bello to win on his first visit to the Bedfordshire stadium.

Bello is a puppy I've fallen in love with being a son of Black Shaw he's inherited that trademark early boot and even with never seeing this track I just feel he will be too good for the opposition.

SITTINGBOURNE TONIGHT

Live on BAGS/SIS there is another cracking card, the main event is the Sittingbourne Standard Final over 480m worth £500 to the winner.

It looks a match between T1 Farley Champ and T2 Toms Knowledge, preference is for Champ based on the draw if they go to the corner level Champ should emerge out of it in front. It's going to be a brilliant race to watch so if you can get to the track or the bookies to watch the action.

HOVE TODAY

It's graded action all the way today at Hove but one race in particular is getting me excited that race is an A1 it's more like an open.

London Grammar is making his graded debut after competing in open-races and keeping very good company, he is sure to go off the favourite but I've a feeling he won't beat Mairheads Dandy.

Dandy is a powerful runner over the 515m, his form is rock solid and he's not without early-pace, he can turn handy today and should have too much in the latter stages even for this star studded field.

WORRIED: Federer

Federer fears old foe No will ruin his gr-eight day

By IAN BAKER

ROGER FEDERER fears Novak Djokovic will prevent him achieving GR-EIGHTNESS today.

The Fed Express is hunting an eighth Wimbledon trophy when he takes on the Serb.

But he admits he is worried by Djokovic's all-round game.

The Swiss star said: "He has a wonderful way of either redirecting or taking the ball early, taking pace from the opponent, even generating some of his own.

"So I think that's what makes him so hard to play. There's not really a safe place you can play into.

"Back in the day there were many guys where you just knew, oh, this guy is a bit dodgy on the backhand. Let me play that and then build up the point from that.

"Novak can hurt you down the line or cross-court on both sides.

"His forehand, his serve, his movement clearly is what stands out the most. He's really been able to improve that and make it rock solid."

Proud

Federer is now 32 but he insists he still loves tennis despite achieving nearly everything in his 18-year career.

And he has no plans to hang up his racket.

He said: "I played all the slams, 50 plus now. I think for that you need to be, first of all, healthy physically, but also mentally ready to do it.

"You've got to love the game, because if you don't love it, then it's just going to be too hard.

"I think that's kept me going quite easily actually, because I know why I'm playing tennis.

"I feel unbelievably proud every time I walk the grounds here.

"I know I don't have 10 left. I'll try to enjoy it. The first one in 2003 was a dream come true.

"It's surreal that I've been so successful here."

Former US tennis ace Andy Roddick said: "I want to see Federer win this tournament, because people just try to close the book on great athletes too fast.

"I would love him to have that one more moment at Wimbledon. It would almost be poetic."

Boris put World Cup before Djokovic

By IAN BAKER

NOVAK DJOKOVIC has told how he was snubbed by coach Boris Becker on Friday.

The top-seeded Serb is eyeing a second Wimbledon title when he takes on the great Roger Federer today.

But he had to debrief himself after beating Bulgarian Grigor Dimitrov, as his German coach was watching his national football side beat France 1-0 at the World Cup.

Djokovic *(right)* revealed: "I didn't see him for a long period. I saw him after the match and he said, 'Let's speak later'.

"I didn't realise, but then I saw the TV.

"You could see he was a bit stressed after the match. I said, 'Well, the match is over'.

"But he just said, 'See you later'. I said, 'Okay!'"

Djokovic is bracing himself for a five-set epic in today's final.

He said: "Most of the matches we played against each other went the distance, so I am going to be physically ready and fit to go the distance.

"Against Federer, the key will be to try not to allow him to dictate too much, because he likes to be very aggressive.

"He likes to come to the net and I'm going to have to be able to get as many returns back in the court as possible and stay close to the lines.

"Roger has immense experience, winning this title so many times and being so dominant in men's tennis for a decade.

"But it's a good chance for me to try to win against him on his favourite surface, on his favourite court."

KVIT OF A HUMPING!

Bouncing Czech Petra hammers Canadian kid

WELL DONE PET: Kvitova salutes her triumph and *(inset)* shows the style that blew away Bouchard

By IAN BAKER

EUGENIE BOUCHARD may be a Wimbledon queen in waiting but Petra Kvitova taught her the harshest of lessons yesterday.

The Canadian beauty, 20, was watched by the real Princess Eugenie on Centre Court – but it was Czech ace Kvitova who hammered her in a woeful ladies' final.

The left-hander now has two titles at SW19 and handed out a real pasting to Bouchard, cruising to a 6-3 6-0 triumph in just 55 minutes.

Big things were expected of Bouchard after her dramatic emergence – but this was simply miserable.

Kvitova was just too dominant and her strength of shots were too much for the Canadian to handle.

And you have to feel sorry for the poor sods who paid £150 a ticket to watch this total mismatch.

An emotional Kvitova paid tribute to dad Jiri, who celebrates his birthday today.

PROUD: Bouchard

Special

She said: "I had some great tactics from my coach, he always knows what to do.

"Genie had a good journey and she will be back soon, I'm sure.

"It is more special than my first title here. It is absolutely amazing to see everyone.

"I have to say a special thank you very much to my dad and manager who has a birthday this weekend."

Kvitova's angled shots were too much for her opponent on a grass court surface.

It may be unfair to say Bouchard was overawed but she simply did not produce anywhere near the kind of tennis that saw her knock out Angelique Kerber and third seed Simona Halep.

Kvitova, who is still only 24, finished off the match with a brilliant backhand passing shot before sinking to her knees in delight.

It was her 28th winner of the match to Bouchard's eight – and that stat sums up the beating.

Bouchard admitted: "It was really tough for me, but I'm proud of the way I've played all tournament.

"I don't think I deserve all the love today, but it is certainly appreciated.

"Petra has played fantastic over the two weeks."

GAIN IN SPAIN: Wenger wants Barcelona striker Sanchez and Real Madrid keeper Casillas *(inset)*

Ars going great Guns for Alexis

ARSENAL manager Arsene Wenger is confident of completing a £60million swoop for Alexis Sanchez and at least two more World Cup stars.

Gone are the days when the Gunners boss dithered all summer and finally decided to keep his money in his pocket.

The Frenchman has £100m to spend and Chile star Sanchez will cost £35m of that. The Barcelona

By JON WEST

forward is prepared to leave the Nou Camp for the Emirates, but the deal depends on Luis Suarez.

Liverpool want Sanchez to come to Anfield to soften the blow of losing their star striker.

Lifeline

But Sanchez prefers Arsenal and his agent has started following the club and several star players on Twitter.

Wenger also needs a new goalkeeper and Spain's Iker Casillas is in pole position for that role.

The Real Madrid goalie had a stinker of a World Cup, with his errors speeding the holders towards a shock exit.

The shot-stopper knows his club prospects are just as bad, but Wenger is prepared to offer him a lifeline.

Interestingly, Wenger is also weighing up a move for a keeper with almost the same name.

Kiko Casilla of Espanyol is on his radar and the 27-year-old won't cost much as he has only a year left on his current deal.

Wenger also wants a defensive midfielder to replace Mikel Arteta – and again is looking towards Real Madrid.

Sami Khedira is his No.1 target and Wenger is prepared to pay around £20m to get him.

Gazump

That's a lot of money for a guy who is only just back from a serious knee injury however.

And that's why Wenger is also lining up an alternative deal for Southampton's Morgan Schneiderlin at around the same price.

Napoli are keen to bring the Frenchman to Italy, but know if it comes to a bidding war they will lose out.

Southampton are losing their star players at an alarming rate and Wenger is also prepared to gazump Liverpool over Croatia defender Dejan Lovren.

BORO STILL BET ON JUAN

AITOR KARANKA insists Middlesbrough's £1million move for Juanfran is NOT dead.

The Real Betis right-back, 25, *(left)* is stalling on a move to the Riverside after looking a dead-cert to arrive on Teesside at the start of the month.

Karanka is still confident of getting his man after a six-month chase for a player he worked with during his time as Jose Mourinho's No.2 at Real Madrid.

By JASON MELLOR

The Boro boss revealed: "We've spoken to him and to Betis and, at present, he's thinking over our offer. It's important to get players who want to come here."

Foxes tie down Morgan

LEICESTER captain Wes Morgan has signed a new three-year contract.

The ex-Nottingham Forest defender's current deal was set to expire next summer.

But he will now remain with the Premier League newcomers until 2017.

Morgan, 30, *(right)* said: "I am delighted to commit my future to this club. There

are some big challenges ahead and I'm excited that I'm going to be part of it."

Boss Nigel Pearson said: "Wes has been every bit the captain we hoped he would be when we signed him.

"He's a leader on and off the pitch and is an extremely positive influence."

I'm more likely to be watching the hot babes on Sky Sports News than the news.

So much so that after hearing a discussion about Serie A on Radio 5 Live, I phoned in to give my opinion.

It didn't work out too well and I was cut off to the sound of laughter in the background.

Apparently I had got mixed up and they weren't discussing Italian football, they were on about some kind of crisis in the Middle East.

Let's get back to what we do best... league football

AS another World Cup reaches its climax, England's even earlier than usual exit means we've had plenty of time to get over our national team's shortcomings before the new season starts.

I'm happy to say I am totally over it.

Right now, somewhere on a tropical beach, our "heroes" are dozing away, convincing themselves once again that they actually are the best midfielder/striker/defender/goalkeeper in the world. Meanwhile, their parasitic WAGs unsuccessfully try to "avoid" the chat mags' telephoto lenses.

As much as we enjoy it – and as great as this tournament has been – it's probably best that the World Cup only comes around every four years.

Because, as far as England are concerned, it never truly lives up to the hype, is ridiculously expensive and leaves you feeling cynical and sick.

Thank God the new season is just six weeks away!

THERE seems to be no shortage of young talent north of the border.

First came the transfer of the 18-year-old "Mini Messi" Ryan Gauld to Portuguese giants Sporting Lisbon on a six-year deal.

Then Celtic received an application for their manager's post – from a six-year-old!

I think he should get the job, just to show how easy winning the SPL is.

SUNDERLAND striker Connor Wickham racked up a £25,000 bar bill – including £17,500 on a 15-litre gold bottle of champers – and shared the booze among friends at a Marbella party recently.

"Connor who?" you say...

BARCELONA are lining up a psychiatrist to help Luis Suarez conquer his demons if their move for the human-hungry hitman goes ahead.

Surely that's a bit over the top? Just someone who's an expert in eating disorders will do.

THE latest pictures of Paul Gascoigne are shocking.

Looking a few decades older than his 47 years, what makes it more depressing is we've yet to produce a talent anywhere near that of Gazza.

In his prime he'd light up the current World Cup – and even now he'd probably earn a place on Woy's bench.

Number's up for Massimo

LOOPY Leeds supremo Massimo Cellino *(left)* really has lost the plot now.

There are stories the Whites' stocky stopper Paddy Kenny has been left out of the club's pre-season tour to Italy not just because of doubts over his fitness, but because he was born on the 17th – and Cellino doesn't like the number 17.

I wonder how he feels about the number one? Because that's which league his team will be in soon if he doesn't sort himself out.

HE'S NOT DONE YET! Keane says his former Man United team-mate Rooney has got plenty left in the tank

Kop bid for Mario

By TIM ABRAHAM

LIVERPOOL will make a £26.5million swoop for Italy striker Mario Balotelli as they start spending the £80m from the expected sale of Luis Suarez.

The Reds are in negotiations with Barcelona over a deal for Suarez and the deal is expected to be confirmed later this week.

Kop boss Brendan Rodgers has identified a number of targets to replace Suarez and wants enigmatic striker Balotelli to come to Anfield.

The 23-year-old *(right)* is ready to quit AC Milan after just a season-and-a-half following his sale by Man City.

Milan president Silvio Berlusconi is prepared to let Balotelli go for less than his original asking price after Arsenal cooled their interest in him following a poor World Cup.

Berlusconi said: "I was selling Balotelli to an English team for several millions but, after this World Cup, who will buy him now?"

Liverpool are set to be saddled with goalkeeper Pepe Reina's £110,000-a-week salary or face the prospect of letting him go on the cheap.

Rodgers has told Reina he has no future at the club, but unless a buyer emerges the Reds may consider letting him go out on loan again to save themselves 50 per cent of his wages.

BRAZIL EXIT WAS NOT ALL ROO'S FAULT

Keane backs World Cup flop Wayne

By BRENDAN McLOUGHLIN

UNDER-FIRE Wayne Rooney has found an unlikely ally in Roy Keane – but the outspoken Irishman admits even he was stunned by England's World Cup no-show.

Tough-talking Keane left England skipper Steven Gerrard, a pundit alongside him for the Champions League final, squirming live on TV when he claimed the Three Lions would "struggle" in Brazil.

The prediction proved spot on as winless England crashed out in the group stages in a group WON by minnows Costa Rica.

Peak

Keane's former Man United team-mate Rooney came in for flak after missing crucial chances.

That came after his ex-Old Trafford colleague Paul Scholes had claimed before the tournament that the striker could be past his peak.

But Keane said: "If you think Wayne is gone you are sadly mistaken.

"I thought he did OK. There was a lot rolled into his position. England scored two and he got one of them.

"I'm sure Wayne, like lots of the England players, will feel he could have done better as well.

"Top players are always quick to look at themselves – they're quite self-critical."

Aston Villa and Ireland assistant boss Keane admitted he was shocked by England's failure to beat a Costa Rica team he witnessed first hand with Martin O'Neill's men just weeks earlier.

He conceded that the full extent of Roy Hodgson's team's failings took him by surprise and reckons their unproven young guns are over-rated at the highest level. He added: "I thought they'd struggle, but not that much.

"I look at their group of players and maybe a lot of them lack vital experience.

"People are ranting and raving about some of their bigger players, but they still have a lot to do.

"People expect them to go to the World Cup and get to the quarters or semis, but I suppose they should have got out of the group.

"You can argue all day about winter breaks and such things, but they should have done better."

Jose wants a bid war over Lukaku

CHELSEA will sell Romelu Lukaku to the highest bidder after Atletico Madrid passed on borrowing the Belgian for a year.

Stamford Bridge supremo Jose Mourinho doesn't rate the big Belgian *(above)*, who scored the goal that took his nation into the World Cup quarter-finals.

Chelsea will look to recoup in excess of £20million for the big target man.

Everton, who took him on a season-long loan last term, are keen but are unlikely to win the bidding war Chelsea are keen to spark.

Atletico decided to go for Bayern Munich's Mario Mandzukic to replace Chelsea-bound Diego Costa.

Mourinho also wants to hijack Real Madrid's £20m move for Bayern midfielder Toni Kroos.

TOFFEES' NAB RAID

By TIM ABRAHAM

EVERTON are poised to test AIK Stockholm's resolve to hang on to winger Nabil Bahoui with a £3million bid.

The Toffees are in the market for a wide player after failing to secure Barcelona youngster Gerard Deulofeu on loan for another season.

Bahoui *(right)* is seen as the ideal man by Everton boss Roberto Martinez after catching the Spaniard's eye with an impressive season for the Swedish outfit. The 23-year-old scored nine goals in just 34 games for AIK last season and has started this campaign with four goals in 11 games.

AIK, who signed Bahoui on a free two seasons ago, are expected to make a significant profit from the sale of their star man after he won his first cap for Sweden earlier this year.

Negredo can go – but not Aguero

MAN CITY are ready to cut their losses on prize sulker Alvaro Negredo and let the striker return to Spain – but insist Sergio Aguero is going nowhere.

Negredo only joined the Blues last season but he already wants to quit the Etihad and join La Liga champions Atletico Madrid.

The 28-year-old initially made an impressive start to life at City, but "The Beast" *(above)* saw his form nosedive in the second half of the season and fell out of favour with manager Manuel Pellegrini.

Atletico are in pole position to sign Negredo for a knockdown fee of £15million.

City, meanwhile, have told Real Madrid they would be "wasting their time" trying to lure Argentine forward Aguero back to Spain.

STUART PEARCE says penalty pressure has given him the "arsehole" for management.

The Three Lions hero missed a penalty in the 1990 World Cup semi-final against West Germany, but hit back with two successful kicks in Euro 96. And he said: "I've never been the sort of person to be worried about pressure.

"Someone asked me, 'Are you worried about coming into Forest and failing?'

"I said, 'You know what, that's not me'. The only worry I'd have is if I didn't take the opportunity.

"The only worry I'd have is if I didn't have the arsehole to stand up and do it."

HAMMERS FIGHTING FOR FROG STAR MAT

By JON WEST

WEST HAM are set to jump into a bidding war for France star Mathieu Valbuena.

The Marseille midfielder has done well in Brazil and Spanish outfit Valencia are set to test the water with a £6million offer.

Marseille want around £8m for the 29-year-old, who would rather move to the Premier League than La Liga. The Hammers are set to be busy in the transfer market in the next few weeks as boss Sam Allardyce boosts his squad.

They've already signed free agent Diego Poyet and pipped Crystal Palace to Ipswich left-back Aaron Cresswell, who was snapped up for £3.5m.

Wick stalls on deal

By JASON MELLOR

CONNOR WICKHAM could be sold by Sunderland this summer if he fails to commit his future to the club.

The Black Cats' £12million striker is hot property after his late goal spree helped Gus Poyet's side escape the drop.

Sunderland are keen to offer the England Under-21 star an improved deal to extend his stay at the Stadium of Light.

Wickham penned a £25,000-a-week deal to join from Ipswich three years ago and is finally starting to fulfil the potential that saw the club splash out an eye-watering eight-figure fee.

Poyet is keen to use the 21-year-old as a central part of his plans next season, but only if he commits his long-term future to the club.

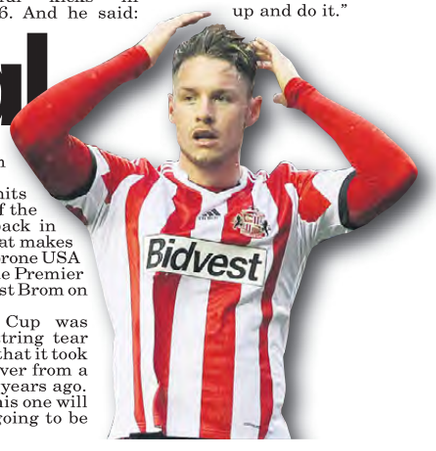
Wickham *(right)* – pictured this week swigging from a £17,500 bottle of premium champagne as he partied with pals on holiday in Spain – has entered the final 12 months of his current deal.

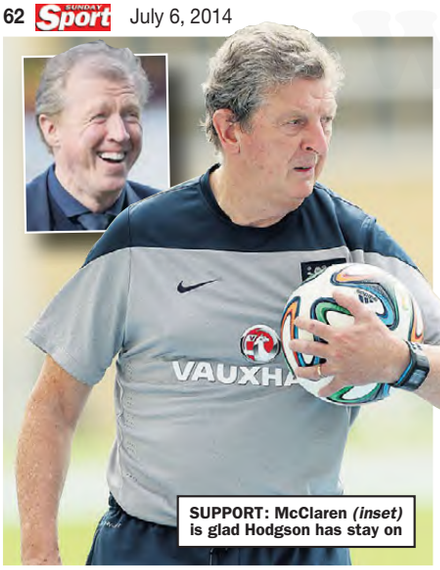
And with no sign yet of him penning an extension, Sunderland are reluctantly preparing to listen to offers, with Hull and Aston Villa keen.

Jozy Altidore admits it could be the end of the month before he's back in full training. And that makes Sunderland's injury-prone USA striker a doubt for the Premier League opener at West Brom on August 16.

Altidore's World Cup was wrecked by a hamstring tear and he has revealed that it took him a month to recover from a similar injury three years ago.

He said: "I know this one will be similar and I'm going to be out for a while."





SUPPORT: McClaren *(inset)* is glad Hodgson has stay on

Wally backs Woy to give Lions teeth

By IAN BAKER

ROY HODGSON has been given some unlikely backing from one of his predecessors, despite his dismal World Cup campaign.

England were eliminated after just two matches and eight days into the tournament in Brazil.

But Steve McClaren – who was famously called the "Wally with the brolly" after failing to qualify for Euro 2008 – reckons Hodgson is just the right man to continue in his role.

And Derby boss McClaren believes England can look forward to an encouraging few years with Hodgson at the helm. The Yorkshireman has coached three up-and-coming youngsters in Andre Wisdom, Patrick Bamford and Will Hughes over the last six months and believes the Three Lions can emerge as world beaters again.

He said: "The main thing England did wrong was lose! They didn't defend well, didn't concentrate. It was all about game management.

"But I think the future is quite bright for England. I am glad Roy has stayed on, they have some good young players.

"They need experience to learn from mistakes.

Interest

"We have good quality youngsters in England and Roy knows what he is doing.

"I've watched a hell of a lot of the World Cup – you can't help it.

"I have watched it with interest, without looking at players, just football in general."

Derby were the first Football League club to play a pre-season friendly when they beat Matlock Town 1-0 on Thursday, despite being one of the last to play last term.

The Rams only had a 40-day break since losing the Championship play-off final 1-0 to QPR.

But McClaren added: "The summer was two weeks for me and then back into it! It was a short one, but here we go again.

"No-one's mentioned Wembley, we are just so focused on getting back into it."

GET OUT OF TOWN ANDROS!

ENGLAND star Andros Townsend is set to become the surprise casualty of Tottenham's new era.

The winger played a big part in the Three Lions' World Cup qualification campaign, although he missed the tournament through injury.

But new Spurs boss Mauricio Pochettino isn't a big fan and is willing to sell him to fund other deals.

Newcastle boss Alan Pardew is interested, although Spurs want more than £15million for Townsend.

Pochettino is still waiting to see if a deal can be struck for Swansea's Ben Davies.

The Swans want more than £10m for the left-back, with Tottenham willing to send Gylfi Sigurdsson back to Wales as part of the agreement.

LOW BLOW FOR SCOLARI'S STARS

Kraut boss ups pressure on Samba boys

JOACHIM LOW has piled the pressure on Brazil ahead of Germany's semi-final showdown with the faltering World Cup hosts.

Kraut boss Low insists Big Phil Scolari's men start as red-hot favourites in Belo Horizonte on Tuesday, with a final place up for grabs.

Germany have failed to hit the heights since humbling Cristiano Ronaldo's Portugal in their opening group game.

But they've ground out single-goal knockout victories over Algeria and France to make their fourth straight semi-final as they look to lift football's biggest prize for the first time since 1990.

Impress

Brazil stand in their way, with the Samba stars unbeaten on home soil for 40 games, but they are yet to impress in this tournament.

Canny boss Low said: "Brazil will have a home advantage, you can't deny that."

Low admits his team must rest-up ahead of the crunch last-four clash after a draining World Cup campaign.

Brazil beat Germany to lift the 2002 World Cup, and he added: "It's about bringing all our forces together to see if they can recover in a short space of time.

"It's about seeing how the players cope with the after-effects of this match. Then we will make a decision on who faces Brazil.

"We've got some injured players who have gone beyond their limits, so we will give them every chance to recover."

Mats Hummels shook off a nasty virus to return to the side and claim the winner against France in a quarter-final to forget.

The big defender insisted: "Making it to the semis is the next dream to become a reality here in Brazil. I hope it's not the last.

Passion

"We're playing the kind of football that will give us a chance to win.

"We are defending with passion, so that needs to be stepped up with each game."

Hummels is one of seven Germany players to be laid low by a virus, but Philipp Lahm said the squad's troubles have brought them together.

The veteran defender said: "We're in the semi-finals, so who cares about anything else? It wasn't easy, but we worked as a team and the team always comes first."

Hu can stop us at the Euros?

By JASON MELLOR

HUGO LLORIS insists France will be the team to beat at Euro 2016.

Tottenham's French keeper insists Didier Deschamps' young guns can banish the misery of their quarter-final exit, by winning on home soil in two years' time.

France are heading home after a narrow 1-0 defeat to old foe Germany.

But confident skipper Lloris is already looking for big things from the latest crop of Les Bleus' young stars.

The big stopper *(right)* said: "This World Cup will be a reference point for the years ahead for what is a very young, very talented team we have here."

Deschamps' youthful side included just two outfield players over the age of 29, and Lloris added: "We have to keep this momentum going over the next two years and hopefully that's just what we will do.

"It's a huge disappointment to be knocked out at this stage of the tournament when we felt we could have progressed further.

"But we must use this unwanted feeling to our advantage in two years' time when we have home advantage to help us hopefully achieve our goal."

IT WAS REFIN' HELL FOR COLOMBIA, RAPS JAMES

By JON WEST

COLOMBIA star James Rodriguez blasted referee Carlos Velasco Carballo for "helping" Brazil knock his nation out of the World Cup.

The Monaco star bowed out as the competition's current top scorer after his late penalty in a 2-1 loss brought his tally to six.

But Spanish whistler Carballo had already caused jaws to drop all over the globe with a series of decisions that looked plain biased towards the hosts.

Rodriguez was clearly being targeted and a series of Fernandinho fouls were all worth a booking.

"Unfortunately, the referee didn't help a lot," said Rodriguez – after he had finished crying his eyes out at the final whistle.

"The referee influenced the game a lot. We are sad because we wanted to go further in the World Cup. That is what hurts most."

Neymar might have something to say about that last bit, as his back was broken by some brutal Colombian payback.

Juan Zuniga kneed the Barcelona man in the back late on – he wasn't even booked and Neymar's competition is now over after the Brazil superstar was stretchered off and taken to hospital.

The defender said: "I never meant to hurt a player. I was just defending my shirt."

That last comment probably means 'doing what they were doing to us', thanks to Carballo's terrible decision-making.

Spirit

Colombia coach Jose Pekerman was content his side had made its mark after missing out on previous finals.

It was also the first time they had ever reached the last eight and Pekerman said: "After being absent from the World Cup for a long time we have made Colombian football valued, with some very talented players, and also competed with an important spirit.

"We came here to play a great World Cup and didn't consider it sufficient to just participate.

"That is the most important thing I can say about this squad."

Rodriguez added: "The people of Colombia have always been there for us and had faith.

"We are sad, but we also ought to be proud because we gave everything to try to continue."

PRAY FOR US: Luiz vowed to bring cheer to Neymar *(inset)* after his broken back agony

Luiz: Now we'll win it for my brother Neymar

DAVID LUIZ has vowed Brazil will win the World Cup to bring a smile to the entire nation – and especially to injured superstar Neymar.

By JON WEST

The Barcelona star suffered a broken back in his side's brutal quarter-final win over Colombia.

The hosts now play Germany in Belo Horizonte on Tuesday night – and they will also be without suspended skipper Thiago Silva.

Luiz scored Brazil's second in their 2-1 triumph in Fortaleza with a stunning long-range free-kick.

And the former Chelsea man, who will join up with Paris St-Germain after the tournament, is both delighted to be in the semis and upset Neymar won't be on the pitch.

He said: "It's a dream, but we're sad Neymar is out of the competition.

"He's a great guy, a great person and a great player. He brings good things to football – he's like a brother to me.

"We'll try to win the competition for Brazil. It would be great if we can win and celebrate with him."

Distraught Neymar was stretchered off late on after being kneed in the back by Colombia hard-man Juan Zuniga *(below)*.

Brazil team doctor Rodrigo Lasmar confirmed: "The exam showed he suffered a fracture of the third vertebra."

The injury won't keep the 22-year-old out for more than a couple of months, but his World Cup is certainly over.

Neymar had scored four goals and was in with a big shout of winning the Golden Boot.

Brazil boss Luis Felipe Scolari was fuming – even though his own players gave Colombia star James Rodriguez a good kicking.

"Everyone knew that Neymar was going to be hunted," moaned Scolari.

Pain

"I can guarantee that it won't be easy for him to recover, based on what the doctor told us and the pain he's in.

"I have been saying for three matches that Neymar has been hunted, but all the other countries say it is not true and it is only their players that are hunted."

Incredibly, the referee allowed a series of reckless challenges – including Zuniga's on Neymar and a hatful by Fernandinho on Rodriguez – to only be punished by free-kicks.

Scolari insisted Zuniga had got away with it. He moaned: "There was not even a yellow card and Thiago Silva got a yellow card for nothing."

The former Chelsea boss must now decide whether to pair Henrique or Dante alongside Luiz against Germany.

Luiz said: "We have two players that are great players and that have prepared to play just like Thiago and myself."

Brazil are closing in on a record sixth World Cup triumph, but former England winger Chris Waddle isn't impressed.

The telly pundit said: "If Brazil win this World Cup, they will be the worst team ever to win it."

City ready for £25m Ross swoop

By TREVOR WILLIAMS

MANCHESTER CITY are set to shock the Premier League by launching a SENSATIONAL bid for Everton and England star Ross Barkley.

The champions will cough up £25million for one of the hottest prospects in English football – and will use Toffees old boy Jack Rodwell as bait.

Midfielder Barkley, 20, *(above)* is tipped for the top after commanding performances for Roberto Martinez's side last season. He also broke into the Three Lions team at the World Cup.

City are desperate to boost the number of homegrown players in their starting line-up, with a summer clear-out signalling the end for Gareth Barry, Micah Richards, Scott Sinclair and James Milner.

Frustrated

Barkley is also seen as an ideal replacement for Yaya Toure if the Ivorian decides to quit the Etihad.

Rodwell, 23, is keen to go back to Goodison after growing frustrated at being ignored by City boss Manuel Pellegrini.

Several other Premier League clubs are eyeing him, including Newcastle and Sunderland.

But Rodwell would prefer a return to Everton two years after moving to City in a £12m deal.

Thiago blasts Colombia for tackle that put Neymar in hospital

BROTHERS IN ARMS Shoot inside to P63

THIAGO SILVA has hit out at Colombia's Juan Zuniga after the defender WRECKED Brazil superstar Neymar's World Cup dreams.

Defender Zuniga kneed the Samba poster boy during Friday's brutal quarter-final in Fortaleza, which left Neymar with a fractured vertebra and out of the rest of the tournament.

Brazil will have to face Germany in Tuesday's semi-final without their 22-year-old top scorer AND their captain Silva, who picked up a second booking in their 2-1 win over the Colombians. But the skipper *(left)* blasted Zuniga and wants officials to take a closer look at the challenge.

By BEN LLOYD

He roared: "What Zuniga did, I think, was rash. I still have not seen the pictures, but I know that in these circumstances it was difficult to get the ball off Neymar.

"He was dominating. I am a centre-back, and I know that in situations like this one should be looked at more thoroughly."
